## FUSIONISTS MEET

### ROUSING RATIFICATION IN GREATER NEW YORK.

Jerome Compliments the Low Ad-  
Administration — German-Ameri-  
cans Indorse Low and the Mayor  
Says He Stands for Good Govern-  
ment, Regardless of Party.

New York, Oct. 17.—The fusion  
ratification meeting in Cooper union  
last night drew a vast throng of peo-  
ple. R. Fulton Cutting presided.  
Among the vice-presidents on the  
platform were ex-Secretary Charles  
S. Fairchild, Henry George, William  
T. Jerome, Eugene A. Philbin, Gen.  
Stewart L. Woodford, Cornelius Van-  
derbilt and Carl Schurz. Speeches  
were made by Mayor Low, District  
Attorney Jerome, Frederick W. Hin-  
richs, candidate for comptroller, and  
others.

Mr. Low said his administration  
stood for the city's welfare. He ac-  
knowledge that nationally he was a  
republican, but said that in the ad-  
ministration of the city he had known  
no party and had built up no ma-  
chine.

Mr. Jerome who was received with  
great enthusiasm, said the Low ad-  
ministration had been the best this  
city had ever had, and it should be  
continued in power.

At a meeting of the German-Ameri-  
can Reform union Mayor Low was  
endorsed for re-election. No attempt  
was made to endorse George B. Mc-  
Clellan, but the conference decided  
to support every democratic candi-  
date for the assembly, a move on the  
part of the Germans to oppose Sen-  
ator Platt.

A temporary democratic organiza-  
tion was formed to fight Tammany  
hall and to support Mayor Low and  
the fusion ticket. At the meeting ad-  
dresses were made by District At-  
torney Jerome and former Congress-  
man Campbell.

The Greater New York Democracy  
of Staten Island has withdrawn its  
support from the fusion ticket and  
indorsed the regular democratic nom-  
inees. It opposed Tammany two years  
ago and its members worked and  
voted for the fusion ticket.

### WILL ATTEND CONVENTION.

W. T. Wright, Treasurer of the State  
Irrigation Association, Will Be at  
Pendleton Meeting.

W. T. Wright, president of the  
First National Bank of Union, and  
one of the most extensive farmers  
and fruitraisers in Union county, al-  
so treasurer of the Oregon Irrigation  
Association, has signified his inten-  
tion of coming to this city to the  
meeting of the state association, next  
month, and will bring along the offi-  
cial sack.

Mr. Wright was one of the most  
active delegates from Oregon at the  
Ogden congress, and takes deep in-  
terest in the subject, although his  
home county produces crops without  
irrigation, and the arid area is very  
limited.

Speaking of the coming meet-  
ing here, Mr. Wright expressed the op-  
inion that it would be largely attend-  
ed from every county in Eastern Oregon  
and hoped that the state officials  
would make a special effort to be  
present and encourage the people by  
their interest in the subject.

### MISSIONARY CONVENTION.

International Body in Session at De-  
troit—Large Attendance.

Detroit, Mich., Oct. 15.—The inter-  
national missionary convention of  
the Christian churches, one of the  
largest and most aggressive mis-  
sionary bodies in America began its  
annual session in Detroit today with  
an attendance of several thousand  
delegates and twice as many lay vis-  
itors. The opening session was given  
over to the Christian Women's board  
of missions and the chief feature of  
the program was the annual address  
of the president of the board, Mrs.  
N. E. Atkinson of Indiana. The pres-  
ident's address and the reports of  
the various officers and committees  
showed that the past year has been  
one of great activity and successful  
effort for the board.

# HIGH CLASS DRUGGISTS AND — OTHERS.

The better class of druggists, everywhere, are men of scientific attainments and high integrity, who devote their lives to the welfare of their fellow men in supplying the best of remedies and purest medicinal agents of known value, in accordance with physicians' prescriptions and scientific formula. Druggists of the better class manufacture many excellent remedies, but always under original or official names and they never sell false brands, or imitation medicines. They are the men to deal with when in need of anything in their line, which usually includes all standard remedies and corresponding adjuncts of a first-class pharmacy and the finest and best of toilet articles and preparations and many useful accessories and remedial appliances. The earning of a fair living, with the satisfaction which arises from a knowledge of the benefits conferred upon their patrons and assistance to the medical profession, is usually their greatest reward for long years of study and many hours of daily toil. They all know that Syrup of Figs is an excellent laxative remedy and that it gives universal satisfaction, and therefore they are selling many millions of bottles annually to the well informed purchasers of the choicest remedies, and they always take pleasure in handing out the genuine article bearing the full name of the Company—California Fig Syrup Co.—printed on the front of every package. They know that in cases of colds and headaches attended by biliousness and constipation and of weakness or torpidity of the liver and bowels, arising from irregular habits, indigestion, or over-eating, that there is no other remedy so pleasant, prompt and beneficial in its effects as Syrup of Figs, and they are glad to sell it because it gives universal satisfaction.

Owing to the excellence of Syrup of Figs, the universal satisfaction which it gives and the immense demand for it, imitations have been made, tried and condemned, but there are individual druggists to be found, here and there, who do not maintain the dignity and principles of the profession and whose greed gets the better of their judgment, and who do not hesitate to recommend and try to sell the imitations in order to make a larger profit. Such preparations sometimes have the name—"Syrup of Figs"—or "Fig Syrup" and of some piratical concern, or fictitious fig syrup company, printed on the package, but they never have the full name of the Company—California Fig Syrup Co.—printed on the front of the package. The imitations should be rejected because they are injurious to the system. In order to sell the imitations they find it necessary to resort to misrepresentation or deception, and whenever a dealer passes off on a customer a preparation under the name of "Syrup of Figs" or "Fig Syrup," which does not bear the full name of the California Fig Syrup Co. printed on the front of the package, he is attempting to deceive and mislead the patron who has been so unfortunate as to enter his establishment, whether it be large or small, for if the dealer resorts to misrepresentation and deception in one case he will do so with other medicinal agents, and in the filling of physicians' prescriptions, and should be avoided by every one who values health and happiness. Knowing that the great majority of druggists are reliable, we supply the immense demand for our excellent remedy entirely through the druggists, of whom it may be purchased every-where, in original packages only, at the regular price of fifty cents per bottle, but as exceptions exist it is necessary to inform the public of the facts, in order that all may decline or return any imitation which may be sold to them. If it does not bear the full name of the Company—California Fig Syrup Co.—printed on the front of every package, do not hesitate to return the article and to demand the return of your money, and in future go to one of the better class of druggists who will sell you what you wish and the best of everything in his line at reasonable prices.

City Convention Narrowed to Mor-

Salt Lake, Oct. 16.—The republican  
municipal convention today promises  
to be the bitterest in the history of  
Salt Lake. It has practically narrow-  
ed down to a Mormon and Gentile  
fight. The sensation is the allega-  
tion that the Kearnes machine is  
buying proxies to secure control of  
the city council.

\$25,000, the apple \$50,000, and the

6.42 inches of rain fell in New York  
City, and 10 inches during the entire

## CARDUI BABIES

Many homes are more lonely abodes  
because no children are there. Barrenness ex-  
ists in almost every case because female diseases  
have paralyzed the organs of womanhood.

Wine of Cardui imparts health and strength to the diseased parts  
and makes motherhood possible in thousands of cases where barrenness  
is supposed to be incurable. Wine of Cardui regulates the menstrual  
flow and also prevents miscarriage and cures bearing down pains.  
Wine of Cardui removes the cause of barrenness by making the female  
organism strong and healthy.

Go to your druggist and secure a \$1.00 bottle of Wine of Cardui.  
The use of Wine of Cardui will bring happiness to your home.

BRYANT, VA., Feb. 18, 1902.  
My daughter-in-law, Lizzie Giles, found great benefit in Wine of  
Cardui. She had a miscarriage in March 1901, before using your me-  
dicine. She was in very bad health, so I persuaded her to try Wine of  
Cardui. Since then she has had a fine baby boy. Soon he will be three  
weeks old. She highly recommends Wine of Cardui.

My daughter, Fannie Hudson, also has a fine baby boy by your  
treatment. She highly appreciates Wine of Cardui.
