ing Friday and Saturday. The Baker-Hutchinson big Ameri can Vaudeville company which comes to the Frazer theater Friday and Saturday nights of this week, will provide the theater going public with a fund of amusement and exhibition of acrobatic skill, contortion, danc-ing and singing which is sure to entertain and make second nighters of first nighters.

There will be a Saturday matined that the school children and ladies may have the opportunity of witnessing little 6-year-old Mac Boneow, and 8-year-old Joe Wrest in their wonderful feats of tumbling and contortion. Little Joe's work on the ariel bars has never been equaled The work of these little people alone has been a prominent feature in win-ning for the company flattering an-nouncements from both the press and public throughout the country.

Messrs.Baker and Hutchinson se-gured them from one of the large Eastern corcuits only after repeated efforts and great expense. The vaudeville features of the play

are of the highest order and are free ly interspersed with feats of skill and muscular strength. Fancy danc-ing and singing by high class artists costitute pleasing features of the pro-

Intensely Dramatic Production to be Seen Here Next Monday,

"A Millionaire Tramp," which has become a great favorite with theatergoers, will be seen at the Frazer the-ater, Monday, Nov. 2. This play is intensely dramatic in action, and while not overstrained, there are cli-maxes which keep the interest of the spectators wrought up to the highest point,

Many of the passages are very pa-thetic, and there are scenes in which the element of humor predominats.
The plot is well defined, and as the story ends happily, there are no regrets. The scenic features are well cared for; the church scene being expecially fine. All of the sets in fact, are equipped with new and bright scenery. The company is far above The company is far above scenery. The company is far above the average and a finished production may be looked for.

Bright's Disease and Diabetes News.

San Francisco, Oct. 16, 1903 F. W. Schmidt's Pharmacy: Dear Sirs:—The discovery in this city of a new diuretic is saving thousands of lives. It is hard for people to believe who are not eye witnesses. You as a brother druggist will know that up to this time chronic Bright's Disease and Diabetes have been necessarily fatal. It is so no longer. And I now only know this by being on the ground, but I was also one of the patients. I had both Brights' Disease and looked upon look to the patients of Diabetes and looked upon look to the patients. death as inevitable. I was so prejudiced I wouldn't buy the new treatment. 1 couldn't believe it. So they gave it to me to prove it. I not only recovered, but have since given it to somewhere near fifty patients and know of only three or four fallures. I am a pioneer druggist of this city.

have been doing business on my own premises for forty-eight years, and I now declare to you on my honor as a brother pharmacist the absolute cura-bility of these dread diseases in about nine-tenths of all cases. I understand the business men who are placing it before the world have appointed you to represent them in your city, and I beg to tell you that there are lives to be saved and friends to be made.

Yours sincerely, CARL D. ZEILE. We send for the Fulton Compounds to which the above refers and now have them in stock. They are toe first cures the world has ever seen They are toe for chronic Brights' Disease and Di-abetes. Free pamphlet. F. W. Schmidt's Pharmacy.
