At the Park Theater.

In addition to the famous Patricolo trio, the management has secured for this week, Miss Lake, the great female baritone. This lady is a phenomenal singer, sure to delight all who hear her. The show at the Park this week is one of the strongest bills ever presented here by the Park management. Lewis and Lake are clever artists. Mr. LaVerne is always funny. Change of bill Thursday. Amateurs Friday evening. Drawing on Saturday evening. Matinee Saturday afternoon for the little folks, at which time two beautiful dolls for the little girls and a ball and bat and catcher's glove for the boys, will have a special drawing for the little folks only to see who gets these presents. The presents are on exhibition in Tallman's drug store window.

"KING DODO" WAS GOOD.

One of the Best Musical Comedies Ever Presented in Pendleton, at the Frazer Last Night.

A crowded house enjoyed the production of "King Dodo" at the Frazer last night, and the management is to be congratulated upon being able to book this attraction for the city.

The musical features of the production are new, catchy and high-class, the performance if Richard Golden as King Dodo, was faultless, and the local hits, made by him, elicited hearty applause.

The orchestra carried by the company, consists of 10 pieces and the members are musicians of ability. The choruses were all excellent, the costuming and electrical effect novel and delightful, and the songs original and clean.

The drill in the second act was magnificent, the songs of the "sum-bie-bee," "I'll Shut My Eyes," "When at Last You Are Mine," "Two Hearts Made One," and, in fact, every chorus rendered, was good.

Harry Davies, as Pedro, Daxie Hamilton as Angela, and Mauu K. Williams as Piola, are artists and deserved the rounds of applause their acting received.

Six of the girls belonging to the chorus, were absent from the performance last evening, on account of illness. Three of them were quite sick with tonsillitis and three companions were left to care for them at the hotel.

LOCAL WHEAT MARKET.

Prices Depressed Owing to Foreign and Local Conditions.

The wheat market is falling again and grain is now quoted at 63½ by the exporters and 65 at the mill. The market is getting weaker and according to the opinion of the buyers there is not much chance of a raise for some time to come. The contracts for the Oriental trade have been either filled, or the grain has been contracted for, and this, in connection with the local conditions, all go to weak on the market and keep it down.

After the fall demand is over the market is liable to be weak in any year, and this year is no exception to the rule.

No limit on quantities on the closing out sale at the Boston Store.

THE PEOPLES WAREHOUSE

Where It Pays to Trade

SHEEP TRAIL CLOSED.

No More Sheep Come by Way of Ukiah.

Pilot Rock, Nov. 11.—News comes from Ukiah to the effect that the narrow passage, south of Ukiah, for the past four years granted sheepmen through which they drove their herds to the mountains in Grant county, has now been taken up and will be closed in the future to the sheep from Morrow county.

The only outlet now will be by the way of Alba, following the road to Lehman Springs, which means a drive through brush and heavy timber. At the John Day, near the confluence of Desolation creek, the land is also being filed on and there is talk of this passage being closed to sheepmen in the future. If these statements be true, thousands of sheep that have hitherto found summer feed in Northern Grant, will be prohibited from entry into that section.
