The constable of through humane motives bogus locked McCallum in a room in his own house, instead of the city jail, and on Thursday morning his pris-oner had flown. He leaves various creditors in Sumpter, Baker other places to mourn his loss. Baker and

The cucumber harvest is over in Yakima valley. A single growe, has shipped over 100 tons of the green shipped over 100 tons of the green vegetable to the Sound to be used for making into pickles. Many truckers are preparing for planting larger areas next season. They claim the crop is worth \$200 to \$400 an acce when marketed by the dozen. The yield for this year was cut short by the appearance of ants that destroyed many of the vines. Next year the growers will use insecticides and kill

REPUBLIC OF PANAMA IS FORMALLY RECOGNIZED

United States No Longer Holds Colombia Responsible for the loaded on the car. When the car arrives at its desti-Canal or for the Isthmus.

Acceptance of Varilla's Credentials Marks the Beginning of an Epoch in the History of the Western Hemisphere-It Means That Uncle Sam Will Dig, Own and Be Responsible for the Canal-Bill Introduced for Reciprocity With Cuba,

Washington, Nov 13.—The United wise than by an act of congress, orates made formal recognition of the iginating in said house. Washington, Nov. 13.—The United States made formal recognition of the Republic of Panama this morning when President Roosevelt received Minister Varilia and accepted his credentials with the usual exchange of speeches. He was introduced by Secretary Hay,

Ways and Means Committee.

Washington, Nov. 13.—Speaker Cauron today announced the new ways and means committee, which will at once present the Cuban bill.

The new republican members on the committee are Watson, of Indians, who succeeds Steele as the latter failed for a re-election; Boutelle, Illinois, succeeding Hopkins, who went to the senate; Curtis, of Kansas, succeeding Long, who went to the sen-ate. The new democrats are Wil-liams, succeeding Richardson; Champ Clark, or Missouri, succeeding New-land, or Nevada. The fight or the New York delegates to have McClel-

tee, today introduced a bill to carry into effect the convention between Cuba and America, which was signed last December,

It provides that whenever the president shall have received satisfactory evidence that Cuba is making provision to give full effect to the treaty he is authorized to issue a proclamation declaring he has received such evidence, and on the 10th day of the month thereafter it becomes effective,

It provides that all articles now admitted free from Cuba shall so remain and all others be admitted at 20 per cent less tariff than the same goods from any other foreign country. Also that no Cuban sugar shall be admitted at less than 20 per cent dif-

It provides further that nothing granted a divorce from his wife, with therein contained shall be construed whom he had not lived for 10 years. as an admission on the part of the

Also, consular rees on Importations from Cuba must remain the same as with all other foreign countries.

The committee on rules is expected to grant a rule probibiting all amend-ments, so as to prevent a rider abol-ishing the differentials on refined

Colombians Furious.

Colon, Nov. 13 .- The steamer Grinoco, which conveyed the loyal co-lombian troops from Colon to Cartagena, has returned. It reports the populace of Baran Quilla furious against America. One thousand troops were ready to embark for the isthmus, but were refused transpor-tation by the captain of the Orinoco.

Excitement in Bogota.
