Wheat is quoted at 61 cents and pound; on cob. 5 cents per pound. the market is very dull. No movement worth mentioning, and the exporters are noncommittal. The feed and flour market is better than ior some time, owing to the demand from the country. Several teams are loading today for distant interior points, and the local trade is good. A large shipment of winter apples has been unloaded today from the Milton district, and the demand is growing more brisk on account of the large amount needed for win-ter use. The markets were otherwise uneventful and quiet

in Ingenious Beartrap.

The Mexicans in California had an ingenious method of trapping bears before the advent of the Yankoes brought modern firearms into the regiou. A piece of meat was nailed to the stout horizontal limb of an oak tree. From a limb five or six feet above RAILROAD a rope was suspended, to the end of which a large stone was made fast so that it hung about six inches above and a triffe nearer the trunk than the meat

on the lower limb. When a bear smelled the meat from afar, he would climb up the tree and make his way to the bait. In doing so he would push the stone pendulum to one side. Just as he was about to fasten his teeth in the meat the stone would swing back and bang his head. This would arouse the anger of the bear, and he would give the stone a sweep of his paw which would send it swinging farther out. The consequence was a harder bang and more anger. The more he struck the stone the harder he would be hit in return until from feroclous anger be would lose his caution and attack the pendulum with all his vigor. One powerful sweep, then bang! and bruin would be tumbled out of the tree to the rocks below, where, disabled by his fall, he e at the mercy set the trap whenever they chose to

take him.

A Remarkable Case One of the most remarkable cases of cold, deep-scated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind. who was entirely cured by the use of One Minute Cough Cure. She says: One Minute Cough Cure. She says:
"The coughing and straining weakened me so that I ran down in weight
from 148 to 92 pounds. I tried a
number of remedies to no avail until
I used One Minute Cough Cure. Four
bottles of this wonderful remedie
cured me entirely of the cough,
strengthened my lungs and restored
me to my normal weight, health and
strength." Sold by Tallman & Co.

Smothered In Roses. The Sybarites slept on beds stuffed with rose leaves; the tyrant Dionysius had his couch filled with them; Verus would travel with a garland on his head and around his neck, and over his litter be had a thin net, with rose leaves intertwined; Antiochus luxuri-ated upon a bed of blooms even in winter days and nights, and when Cleo patra entertained Autony she had roses covering the floor to the depth, it is
