Deafness Cannot Be Cured,

local applications, as they cannot react diseased portion of the ear. There is by iochi applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous liming of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Year Book is Out. A copy of th Year Book of the

department of agriculture, for 1902, the last published, has just been received by the East Oregonian. It is an elegant volume containing 888 pages and 87 plates and is a valuable addition to any library.

There was received by express vesterday at the reoples Warehouse, the newest thing in a pony cowboy hat, color nutria. Besides that, a new style Fedora, colors brown and slack.

Governor Hunt, of Porto Rico, has een appointed United States district judge for Montaun.

He will tell you-

That barley - malt is a half-digested food, as good as food can be.

That hops are an excellent tonic.

That the little alcohol in beer-only 31/2 per centis an aid to digestion.

> But Purity is Essential

But he will tell you that beer must be protected from germs, and brewed in absolute cleanliness.

He'll say, too, that age is important, for age brings perfect fermentation. Without it, beer ferments on the stomach, causing biliousness.

Schlitz beer is brewed with all precautions. It is the recog-nized standard all the world over, because of its purity. Ask for the Browery Bottling.
