## AGAINST PORTAGE

AUTHOR OF THE LAW  
SAYS REPEAL IT.

Would Convert the Money to the Uses  
of the Government in Purchasing  
Right of Way for Ship Canal—  
Says Not Room for Both Roads on  
O. R. & N. Right of Way.

Representative Charles Johnson of  
Wasco county author of the Portage  
Road bill has given a Portland paper  
the following remarkable interview,  
on the repeal of that law, and the con-  
version of the appropriation to pur-  
chasing right of way for the govern-  
ment ship canal.  
Mr. Johnson says:  
"The portage road law, which I in-  
troduced into the House of Repre-  
sentatives," has served the purpose  
for which it was intended. It was ex-  
pected that it could handle only a  
comparatively small part of the wheat  
crop, but enough to regulate the O.  
R. & N. freight charges. It was de-  
signed primarily to force the railroad  
to reduce freight rates, but incident-  
ally to stir up the government to  
build a canal. This is the only prac-  
tical solution of the transportation  
question for the great grain and stock  
section.

"This action the government has  
now been taken, and the field should  
left clear for building the canal. It  
hardly seems possible that both pro-  
jects could be carried on without seri-  
ously interfering with each other, if  
indeed there is room at all for both  
inside the O. R. & N. line."

Mr. Johnson continues his inter-  
view by saying that the portage bill  
should be repealed at the special ses-  
sion and the money converted to the  
purchase of a right of way from the  
O. R. & N. for the ship canal as that  
was the primary object of the Portage  
road bill.

### TEXAS CARNIVAL.

Houston in the Throes of the Biggest  
Time of Her Life.

Houston, Texas, Nov. 23.—Never  
has such a crowd been seen in Hous-  
ton as that now in attendance at the  
annual No-Tsu-Oh carnival. The  
railroads have brought thousands of  
passengers to the city the past two  
days.

The festivities were begun today  
with the formal opening of the street  
fair and a cattle roping contest and  
rough riding exhibition. Last evening  
His Imperial Highness, King Not-  
toe V, accompanied by his retinue,  
arrives in the city and his coming  
will be made the feature of a grand  
pageant. The festivities are to con-  
tinue through the entire week and an  
attractive program of entertainment  
has been arranged, the various fea-  
tures, including athletic contests,  
automobile speed trials, horse races  
and a grand ball under the auspices  
of the Houston Light Guard.

### A Scientific Discovery.

Kodol Dyspepsia Cure does for the  
stomach that which it is unable to  
do for itself even when slightly dis-  
ordered or over-loaded. Kodol Dys-  
pepsia Cure supplies the natural  
juices of digestion and does the work  
of the stomach, relaxing the nervous  
tension, while the inflamed muscles  
of that organ are allowed to rest and  
heal. Kodol Dyspepsia Cure digests  
what you eat and enables the stom-  
ach and digestive organs to transform  
all food into rich, red blood. Sold

More Evidence of Trib's Good Work.  
Baker City, Ore., Sept. 8, 1903.—I  
was a constant user of both smoking  
and chewing tobacco for 46 years. I  
took a treatment of TRIB about three  
months ago and can endorse it as a  
cure. My general health is much im-  
proved since I took your cure. Sin-  
cerely yours,

Cured of Piles after 40 years.  
Mr. C. Hasey, of Geneva, O., had  
the piles for 40 years. Doctors and  
dollars could do him no lasting good.  
DeWitt's Witch Hazel Salve cured  
him permanently. Invaluable for  
cuts, burns, bruises, sprains, lacer-  
ations, eczema, tetter, salt rheum and  
all other skin diseases. Look for the

Another club woman, Mrs.  
Haule, of Edgerton, Wis., tells  
how she was cured of irregulari-  
ties and uterine trouble, terrible  
pains and backache, by the use  
of Lydia E. Pinkham's Vegetable  
Compound.

"DEAR MRS. PINKHAM:—A while  
ago my health began to fail because of  
female troubles. The doctor did not  
help me. I remembered that my mother  
had used Lydia E. Pinkham's  
Vegetable Compound on many oc-  
casions for irregularities and uterine  
troubles, and I felt sure that it could  
not harm me at any rate to give it a  
trial.

"I was certainly glad to find that  
within a week I felt much better, the  
terrible pains in the back and side  
were beginning to cease, and at the  
time of menstruation I did not have  
nearly as serious a time as heretofore,  
so I continued its use for two months,  
and at the end of that time I was like  
a new woman. I really have never  
felt better in my life, have not had a  
sick headache since, and weigh 20  
pounds more than I ever did, so I un-  
hesitatingly recommend your medi-  
cine."—Mrs. MAY HAULE, Edgerton,  
Wis., Pres. Household Economics Club.
