NEWS OF MILTON

MILTON SENDING TREES TO IDAHO ORCHARDISTS

One Death from Diphtheria and Other
 Children in the Same Family Are
 Recovering—Will Winter at Los
 Angeles for His Health—Successful
 Observance of Thanksgiving.

Milton, Nov. 27.—Thanksgiving was
 observed here in the usual way. In
 the morning union services were held
 at the M. E. church and Rev. R. L.
 Cartwright of the Christian church
 delivered the sermon. In the after-
 noon Rev. S. W. Gamble, a noted lec-
 turer, delivered another lecture on
 the Sabbath question.

The Thanksgiving ball given in the
 evening was a very enjoyable affair.
 Nearly fifty couples were present, and
 tripped the light fantastic until early
 morning.

Mrs. N. C. Richards arrived here
 yesterday from her home at Sumpter
 and is visiting her father and mother,
 Mr. and Mrs. O. C. Rinker.

Mr. and Mrs. E. J. Davis and family
 drove over from Walla Walla and ate
 Thanksgiving dinner with Mr. Davis'
 parents.

Miss Edith Croquette, stenographer
 in Mrs. C. C. Van Orsdall's office, is
 here from Pendleton, visiting her
 mother, Mrs. A. J. Overturn.

Miss Mayme Nichols is home for a
 vacation from College Place, where
 she is attending the Adventists' col-
 lege.

Misses Cora Merrifield, Myrtle
 Plant and Nona Dover spent Thank-
 sgiving day at Walla Walla, the guests
 of Mr. and Mrs. J. L. Elam.

Mrs. S. S. Shields came home,
 Wednesday, from La Grande, where
 she has been for the past six weeks
 buying and shipping fruit.

Clark Cunningham, who has been
 here visiting, took his departure yester-
 day for Dayton, Wash.

Fred Sams has gone to Los Angeles
 for the winter in hopes of benefiting
 his health.

G. A. Cowl is expected home in a
 few days from Idaho, where he went
 to deliver a shipment of trees for the
 Miller nurseries.

Death from Diphtheria.
 Charlie, the 12-year-old son of Mr.
 and Mrs. J. W. Jenkins died Wednes-
 day, of diphtheria, and was buried
 yesterday. The other children who
 have it are convalescent, and will
 soon be able to be up and around.

HEAVY ORE SHIPMENTS.

The Golconda Ships 300,000 Pounds
 of Rich Concentrates.

Sumpter, Nov. 30.—The Golconda
 mine this month has shipped over
 300,000 pounds of concentrates to the
 smelter. This production of ore is
 outside that handled at the mill,
 which is kept constantly crushing
 high grade rock.

The North Pole and Columbia, and
 the E. & E. and Taber Fraction are
 also shipping ore. The first two
 named send concentrates, while the
 latter two are shipping very rich rock
 from the new workings just opened
 up. The clean-up from the Columbia
 was taken down to Baker City last
 week and it is estimated at \$40,000.

The Alamo mill is completed and
 ready to start up. The flume is al-
 most finished and as soon as this is
 connected up mill operations will
 commence. It is expected that within
 two weeks the stamps will be drop-
 ping. There are over 2,000 feet of
 underground work done in the Alamo
 and large bodies of ore are blocked
 out for milling.

Disastrous Wrecks.

Carelessness is responsible for
 many a railway wreck and the same
 causes are making human wrecks of
 sufferers from Throat and Lung
 troubles. But since the advent of
 Dr. King's New Discovery for Con-
 sumption, Coughs and Colds, even
 the worst cases can be cured, and
 hopeless resignation is no longer
 necessary. Mrs. Lois Cragg of Dor-
 chester, Mass., is one of the many
 whose life was saved by Dr. King's
 New Discovery. This great remedy
 is guaranteed for all Throat and
 Lung diseases by Tallman & Co.,
 druggists. Price 50c and \$1.00.

SCROFULA A DISEASE WE INHERIT.

Scrofula manifests itself in many ways. Swelling of the glands of the
 neck and throat, Catarrh, weak eyes, white swelling, offensive sores and ab-
 scesses, skin eruptions, loss of strength and weakness in muscles and joints.
 It is a miserable disease and traceable in almost every instance to some
 family blood taint.

Scrofula appeared on the head of my
 little grandchild when only 18 months
 old, and spread rapidly over her body.
 The disease next attacked the eyes and
 we feared she would lose her sight. Em-
 inent physicians were consulted, but
 could do nothing to relieve the little in-
 nocent. It was then that we decided to
 try S. S. S. That medicine at once made
 a speedy and complete cure. She is now
 a young lady, and has never had a sign
 of the disease to return.

150 South 8th Street. **MRS. RUTH BERKLY,**
 Salina, Kan.

No remedy equals S. S. S. as a cure for Scrofula. It cleanses and builds
 up the blood, makes it rich and pure, and under the tonic effects of this
 great Blood Remedy, the general health improves, the digestive organs are
 strengthened, and there is a gradual but sure return to health. The deposit of tubercular matter in the
 joints and glands is carried off as soon as the blood is restored to a normal condition, and the sores, eruptions,
 and other symptoms of Scrofula disappear.

S. S. S. is guaranteed purely vegetable and harmless; an ideal blood
 purifier and tonic that removes all blood taint and builds up weak constitu-
 tions. Our physicians will advise without charge, all who write us about
 their case. Book mailed free.
