## BEARING DOWN PAINS

3647 Indiana Avenue. CHICAGO, ILL., Sept. 27, 1902.

I have been a sufferer with almost every kind of female trouble for years, but as long as I could get around and do my work I would not try patent medicines as I had no faith in them.

About eight months ago I had to take to my bed, suffering with prolapsus of the uterus, with bearing down pains and intense pains in the back. My aunt, who came to nurse me told me of Wine of Cardui and sent for a bottle. I am indeed glad that she did, for that first bottle started me on the road to recovery. In a few weeks I was out of bed and in three months I was in perfect health and strength.

The periodical discharge comes and healthy without continual weakening drains. Wine will make your health right and you may treat yourself privately at home. Secure a \$1.00 bottle of Wine of Cardui from your druggist.

**KING FIFTY-FIVE YEARS.**

Emperor Joseph Began His Reign When 18 Years of Age.

Vienna, Dec. 2.—Throughout the dual monarchy today there were celebrations to mark the fifty-fifth anniversary of the accession of Emperor Francis Joseph to the throne. Business was suspended generally in the capital and in all the churches special thanksgiving services were held. The emperor signalized the day by granting amnesty to a number of prisoners guilty of minor offenses and also issued a proclamation to the army, in which he thanked the soldiers for their loyalty and fearless valor during his reign.

Despite his age—73 years—the emperor continues to enjoy good health and devotes a large part of each day to the business of state, giving personal attention to much of his voluminous correspondence and giving interviews on one day of each week to any of his subjects, no matter how humble their station, who may wish to make a personal appeal or request.

## HUNTING SOLUTION.

### General Conference at Salt Lake on Strike Situation.

Salt Lake, Dec. 2.—Officials of the Utah Fuel Company, Governor H. M. Wells, Adjutant-General Burton, certain railroad officials, Dr. Curo, the Italian consul at Denver and State Coal Mine Inspector Thomas, went into executive session here this morning for arriving at a solution of the strike.

All is quiet in the camps in Carbon county today. The sheriff, backed up by national guards, is serving notices of eviction to strikers. Men who desire work are escorted to the mines, while those who decline are served with notices.

A miner's wife named Jones, at Scofield, is exhorting the men to remain out. (This is not "Mother" Jones.)

After the meeting a special session of the legislature is to be called to provide funds for keeping the militia in the field for an indefinite period.

The company officials accede to all demands except recognition of the union. Vice-President Kramer, of the Utah Fuel Company, said he would close the mines for 10 years, if necessary.
