RAY SALISBURY DEAD.

Former Pendleton Boy Succumbs to Pneumonia at Mica, Washington.

The remains of Ray Salisbury were brought to this city this morning from Mica, Wash., where he died day before yesterday of lung trouble after an illness of several months.

The deceased was 17 years of age and formerly resided in this city with his parents, who have since that time died. His father, N. B. Salisbury, was formerly an engineer on the O. R. & N. and died as the result of an operation in the Portland hospital.

Ray Salisbury was in poor health and was taken to Spokane by his guardian and from there went to a farm at Mica, hoping that the outdoor life would benefit his failing health. Here, during the cold weather, he caught a bad cold, which developed into pneumonia and the weakened constitution was unable to stand the ravages of the disease. He has a brother, R. N. Salisbury, who is employed by A. Rohde, the cigar manufacturer, in this city.

The funeral will be held from Rader's undertaking parlors tomorrow morning at 10 o'clock and the interment will be had in the Olney cemetery, where his parents are buried.

PROFITABLE AFFAIR.

Congregational Ladies Clear Over \$100 From Dinner and Fair.

The ladies of the Congregational church are much elated over the results of the dinner and sale that was held at the church last night. Over 100 people took dinner at the church, and this, with the things sold, netted the ladies at least \$100 for their day's work.

For some time the ladies have been preparing a great many dainty and useful articles for the sale, and these, together with a collection of jewelry sent to the church through the kindness of Dr. House, of Portland, made a very creditable fair. Some of the articles were very beautiful, and but

AFTER an anxious, fretful day, you need something which shall fit your tired body as a well worn slipper fits a tired foot. It must be something more than food or drink. If you want to taste Nirvana and forget all your tire and fatigue, take a cup of one of Chase & Sanborn's "Original Package" teas. These are the leaves which the natives themselves drink with all their vigor imprisoned. It's a very different drink from ordinary tea. Try a half-pound.

It is the plan of the ladies to hold a grand clearance sale, at which time they will dispose of all the remaining bargains, but the time or place for this has not yet been decided upon.

THE FRATERNAL HOME BUYERS

L. H. De Forde, Representing This Order Now at the Golden Rule.

L. H. De Forde, whose name has been seen in the windows of our city today, was at one time in business here. He is a nephew of John Engle, of 512 West Bluff street.

If you are out of employment you will do well to call at the Golden Rule hotel and see him this evening, as he will leave for Walla Walla at 9:10 tomorrow.

The Order of Fraternal Home Buyers are making a special effort to increase its membership this year. Three officers have gone to Seattle and two to Tacoma to open branch offices, and L. H. De Forde is on his way to Spokane. He wants local solicitors in every town along the route. This is a good proposition and should be investigated now.

REPAIRING LINES.

Work on Telephone Lines Between Canyon and Heppner.

W. J. Collins of Portland and J. A. Bolter of Coos Bay are doing some very much needed work on the telephone line between Canyon City and Heppner this week, says the Long Creek Light. They are resetting all the poles, putting in new batteries in the phones and fixing the line up in general.

Mr. Collins stated to a Light representative that it is the intention of the company to set poles next year through all belts of timber where the wire is stretched on trees. During high winds the trees weave to and fro and often break the wire, and again the wire will come in contact with green foliage or work through the bark to the sap of the trees, which breaks the current.

The present wire will also be taken down on the line from Canyon City to Heppner and a larger and better grade put in its place.
