Wants More Trib.

L. F. Foster, San Francisco, Cal., Feb. 2nd, 1903, writes: "Please find enclosed draft for \$150.00. Send me one dozen treatments of Trib. The druggists here say they have orders in they can't get filled. Why is this? I took Trib myself last June, and never felt better in my life than I do now. I have gone down in weight to 135 pounds and never think of liquor or tobacco any more. I know of 25 cures you could get reference from, if you care to write for them. Be sure to send me twelve Tribs at once; I want to send them to Honolulu."

DISCRIMINATING LADIES.

Enjoy Using Herpicide on Account of Its Distinctiveness.

The ladies who have used Newbro's Herpicide speak of it in the highest terms, for its quick effect in cleansing the scalp of dandruff and also for its excellence as a general hair-dressing. It makes the scalp feel fresh and it allays that itching which dandruff will cause. Newbro's Herpicide effectively cures dandruff, as it destroys the germ that causes it. The same germ causes hair to fall out, and later baldness; in killing it, Herpicide stops falling hair and prevents baldness. It is also an ideal hair dressing, for it lends an aristocratic charm to the hair that is quite distinctive. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
