# USEFUL X'MAS PRESENTS

## At The Peoples Warehouse

Perhaps, gentle reader, you're rather weary reading these many advertisements. We really must apologize for the candle has been pretty well burnt at both ends. Nevertheless we feel that there is something we would like to say before Christmas, and so we say it. Pardon us this time. We now announce in detail for the last time the nature of the Free Gifts that are to be drawn 5 P. M. Thursday, Dec. 24. To some this seems unnecessary, for to them the prizes are well known. To others we wish them to know. To the fortunate ones any one of the prizes will be an immense X'mas Gift. **Be sure you have some chances.**

**Gift Certificates** To those undecided just what article would be most appropriate, a Gift Certificate will be just the thing. This permits the bearer to select exactly what she or he wants. Certificates for any amount, for anything in the store, and also for Kid Gloves alone. This saves time and worry and you are then sure that the recipient receives the gift most acceptable.

Right now is the time to select your Christmas Presents. 'Tis usually difficult for the men just what might please the ladies—'tis not the largest sum that insures the most appropriate and acceptable gift. The PEOPLES WAREHOUSE pride themselves on the fact that they know the ladies prefer. They have gotten up this time the thought that it will be a reminder of articles you would not have remembered. We do not claim that you can not get along without them, but we do claim that we can help you select which will please the woman, the man and the
