THE PEOPLES WAREHOUSE

This store will be crowded from now until Christmas with people buying presents for their friends. What may be the most appropriate or most acceptable gift puzzles a great many. This difficulty has been nicely overcome by the purchase of Gift Certificates. This is so arranged that the recipient has the privilege of selecting just what she or he desires. Gift certificates are issued for any amount, for any article in the PEOPLES WAREHOUSE, or for Kid Gloves alone. You are then sure the size, color and quality is just right. 'Tis well to buy a good article for a party, hoping it will please. How much better is a gift certificate that makes it certain the person will receive a present that will be most acceptable in every way.

NEW O. R. & N. WIRE.

Telegraph Service is Increased Between Umatilla and Spokane. Umatilla, Dec. 22.—A new wire has just been strung by the O. R. & N. between this place and Spokane, to meet the great increase in company business. This new wire will be for the exclusive use of the company, and will handle nothing but strictly local business.

It will be cut in only at important places, such as Walla Walla, Wallula, Tekoa, Starbuck, Colfax, Riparia and Spokane. This makes four wires in use by the company along this line, besides the four Western Union wires, making a total of eight wires on the telegraph line between here and Spokane.
