Where it Pays to Trade

Many women are denied the happiness of children through derangement of the generative organs. Mrs. Beyer advises women to use Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I suffered with stomach complaint for years. I got so bad that I could not carry my children but five months, then would have a miscarriage. The last time I became pregnant, my husband got me to take Lydia E. Pinkham's Vegetable Compound. After taking the first bottle I was relieved of the sickness of stomach, and began to feel better in every way. I continued its use and was enabled to carry my baby to maturity. I now have a nice baby girl, and can work better than I ever could before. I am like a new woman."
—Mrs. FRANK BEYER, 22 S. Second St., Meriden, Conn. — \$5000 forfeit if original of above letter proving genuineness cannot be produced.

FREE MEDICAL ADVICE TO WOMAN.

HAS THE TURKEY

MELEAGRIS GALLOPAVO
OUTGALLOPED DR. COLE.

Also Dodged All the Shots its Pursuer Took at it and the Bird's Wild Flight Was Only Stopped by a Shot Aimed by a Lady Shooting All Within City Limits.

Dr. W. G. Cole had a most exciting time yesterday and came near losing his Christmas dinner. Some admiring friends sent the doctor a fine, large turkey to grace his table on the Christmas holiday and the doctor started for his home with his prize but on the way the dinner made one last despairing dash for liberty and life.

Under ordinary circumstances turkeys are noted for their docility under capture, but this one had been in the office of the surgeon, and, catching a glimpse of the array of instruments in the inner sanctum, came to the conclusion, presumably, that his lot was to be harder than the ordinary run of holiday executions and broke from the grasp of his captor and started up the middle of the street with the doctor in hot pursuit. The turkey flew and so did the mud, but the turkey was the faster of the two and the surgeon was soon distanced. He took refuge in a small rifle, but, after shooting several times, found that he was too much out of wind to hit the prize, so he handed the rifle to a lady neighbor, who hit the target the first shot. The doctor returned thanks for the assistance and bore his prize home, where it will be served with extra honors.

ELECTION BY COMPANY 1.

Boys Expect to Increase Their Efficiency During Coming Year.

A good majority of the members of Rescue Hood and Ladder Company No. 1, met at their hall last night for the election of officers for the ensuing term. Plans were talked of for the year to come, and some good suggestions were made tending to the better service of the company in case of need.

The officers elected were as follows: President, Frank O'Gara; foreman, T. T. Nelson; first assistant foreman, A. Rhode; second assistant foreman, Dayton Barnhart; secretary, C. A. Cole.

The secretary was instructed to notify all of the officers of the company to have their reports in by the first Monday in the new year.

The company is in good condition, and it is intended by the members to this year improve their service in many ways, as they recognize the importance of an organization of their order in a small town where the citizens have to look to them for their protection in time of fire.

FAST FREIGHT TRAINS.

Cargo of Oriental Goods to Be Transported East Over O. R. & N.

The arrival of the big Oriental steamer Indrapura, at Portland Saturday night, with a cargo of silks, hilly bulbs, matting, tea and other Oriental goods for the East, means several special freight trains over the O. R. & N. to convey this fast freight to its destination.

This class of merchandise is given preference, fast schedules are prepared for it, special trains are sent out with light tonnage, in order that fast time may be made, and the trainmen always welcome a "sea" or "silk" special, next to a passenger run.

CAPTAIN THOMAS DRUMMOND

Was the Founder of the Iowa State College for Blind.

Vinton, Ia., Dec. 22.—In the presence of a number of state officials and other distinguished visitors a tablet to the memory of Captain Thomas Drummond was unveiled today at the State College for the Blind.

Captain Drummond, who was killed in action near the close of the civil war, was the founder of the college for the blind and the tablet is a tribute of appreciation of his efforts in behalf of the institution.
