# AMONG THE EXCHANGES OF THE INLAND EMPIRE

It is a beautiful quartz proposition and assays which he has had made show that it contains high values. Ore from one of the claims taken out at a depth of only 11 feet showed \$17.50, \$24.50 and \$38.50 per ton. The ledge on this claim is 14 feet wide.

made a big strike and will begin car-ly in the spring to do greater development work.

New Power for Baker, The big water wheels which will furnish the power for the driving of the dynamos at the power plant on Rock creek arrived at Haines the first of the week and were hauled out to the power house with teams, where they will be installed as soon as possible. A carload of steel pipes for the big flume from the head works to the power house has been shipped to pay the pa to the power house has been shipped from San Francisco and will arrive in a day or two. The large dynamos and two or three carloads of other machinery for the plant are expected to arrive from the east in a few days. The new plant will be up-to-date .n every respect and will be one of the best and most efficient water power plants on the coast, and power will be transmitten to Baker City, a distance of about 16 miles, a number of manufacturing institutions of that city having arranged to use electric power in their plants.-Haines Rec-

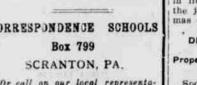

Game Warden's Report, Game Warden Baker has filed his semi-annual report, which, while too long to print, is full of good sugges-tions. He calls special attention to

FARED WELL IN OREGON. Boise Man Locates Valuable Mining Property in Grant County. A. A. Litzke, of this city, who spent the past summer in Grant county, Orogon, made three locations which bids fair to make him a big mine, says the Boise Capital News. It is a beautiful guartz proposition could understand them. This uncer-tainty of the law makes its violation not only more frequent, but the pun-ishment almost an impossibility, for

Spokane Cigar Trade.
There are 30,000 cigars consumed daily in Spokane, which would employ 150 men, earning on the average of \$19per week, or \$140,000 per year, besides the manufacturers' profits and strippers' and packers' wages. Which would add \$60,000 more, brinsing up the aggregate to \$200.000 per year, besides the manufacturers' wages. Which would add \$60,000 more, brinsing up the aggregate to \$200.000 per year, besides the wall add \$60,000 more, brinsing up the aggregate to \$200.000 per year. There is an abundance of water and
plenty of timber, and convenient to a power plant for operating a mill.
He has every confidence that he has
made a big strike and will begin ear and the manufacturers find it difficult to dispose of their goods, for the re-

tail merchants "push" Eastern made cigars because they make \$1 or \$2 more on a thousand, but the consum-er has to pay the same-5 or 10 cents the cigar .- Freeman's Labor

### Was a Stranger to Bath Tub.

James Ray, a dirty, unkempt hobo was given the limit of the vagrancy law by Justice Hinkle and sentenced to pay \$100 and costs or serve the time in the county jail. rie admitted he had not had a change of clothes since September or a room the last 10 days, but slept on the floor of any saloon where he could get enough whisky to satisfy his appetite. He had 10 cents in one pocket when ar rested, and seemed greatly chagrined to think he had overlooked it while free to spend it .- Sokesman-Review

### CHRISTMAS IN THE NAVY.

Government "Sets 'Em Up" Today to Sailors and Marines,

Washington, Dec. 24.-Though far from home, the bluejackets and marines on duty in Isthmian waters are to have plenty of Christmas cheer, thanks to the foresight and thought-fulness of Uncle Sam. According to a dispatch received at the navy department, the supply ship the navy department, the supply ship Culgao has arrived safely at Colon with a big cargo of supplies for the warships on the Eastern and Western sides of the Isthmus. The Culgao's cargo includes 300,000 pounds of dressed heef, 20,000 pounds of mut-ton and 10,000 pounds of turkey.
