Deafness Cannot Be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

COLORED MINISTER'S TROUBLES

Did a Day's Work for Ride to Town and Was Turned Over to Police.

Rev. John Washington, who says he is an ordained minister of the Baptist church, occupied a cell at the city jail this morning, but was later released, says the Oregon Daily Journal.

The minister is a negro, and from the torn and tattered appearance of his clothes the contributions in the districts where he has been working must have been slim. Mr. Washington told the following story: "Last evening I was at Beaverton and started to walk to Portland. About midnight I was tired and crawled into a haymow to spend the rest of the night. About 3 o'clock in the morning a man woke me up and said that if I helped him do the chores he would give me a ride into town. I helped him milk 15 cows, clean out barns, wash milk cans and do other things. When we arrived in the city he drove to the police station and handed me over, saying that I had been found sleeping in his cow barn."

HATS OFF IN CHURCH.

Baker City Ministers Will Inaugurate a Wise Practice Next Sunday.

Baker City, Dec. 31.—A very sensible and popular movement is being agitated by the church-going ladies of Baker City this week, and seems to meet the hearty approval of all. It is the adoption of the "hats off in church" custom, practiced so extensively in the East, and in many cities in the West.

The pastors of the various churches have been interviewed and by request of the ladies will announce next Sabbath, January 3 as the day to inaugurate the practice.

Gypsies Reach The Dalles.

A band of gypsies again made their appearance in The Dalles Monday, but were no sooner visible than invisible for the marshal was not long in catching them their fortunes so far as The Dalles has any part in it, and they soon vanished, says The Dalles Chronicle. They came from Pendleton, where their feelings were hurt by having their Christmas celebration interfere with by the police. As a result, the city treasury of Pendleton was enriched by \$20, paid in quarters, dimes and nickels. The Dalles treasury is not in need of their assistance.
