### TO PRESS DEATH BUTTON.

### Prison Guards Don't Know Who Will Drop Death Trap,

When John Reynolds, the first mur derer to hang at the state penitesti-ary, swings out into eternity, if the sentence of death is executed, it will be from a black coveres, scaffoid, erected in the small exercise court, within the inner walls.

Only a few, perhaps no outsiders, will be admited. This is left to the discretion of Warden F. A. Dryden. The date set for the execution, Mr. Dryden would not disclose yesterday. None will have the pleasure or pain

None will neve the provide the trap. It of knowing who springs the trap. It will be done by one of a dozen or more guards, each of whom will press an electric button. The wires con-an electric button. The wires connecting these buttons with the trap will be twisted and knotted together and covered, and all but one cut near Thus no one will know the trap.

#### All Business Suspended.

Obedicat to Mayor Harrison's proc-iamation that this be a day of mourn ing, even those business houses which bear no crape telling of death brought home, have closed their doors. That maelstrom of market, the Board of Trade, is allent.

But a short time ago Chicago stood at the stroke of noon for two full min-utes uncovered. Traffic was stopped silence reigned while the loved and. and martyred president was in a dis tant city lowered into the grave. To-day, at the same hour, Chicago stood winter's wind hatless, immovable and bowed for five minutes while hundreds of its own were laid away. Mayor Harrison's proclamation" this effect was not necessary to bring the tragedy home, although it was is

sued this morning. For as Dr. Hirsch said in an address fast night, "Through the walls of 1,000 homes in this our mourning city sobs resound and are echocd on the mercileas wind that scatters the voices of the bereaved throughout the world.

Two Hundred Funerals Today. Two hundred funerals in one day,

# THIGH BROKEN.

Twelve-Year-Old Boy Meets With Very Serious Accident

Yesterday attention the 12-year-oid son of a Mr. doore, who lives near the Simpson Perringer race track. broke his thigh in jumping from a tank to the bottom of a ditch.

In making the jump in play he was caught in a clump of bushes, break ing the bone in his left thigh about midway between the hip and the 21st and 24th.

Ushers on that floor are said have run on discovering the fire with-out making an effort to get the childten out and down stairs. Survivors say men were compelled to knock ushers down before the doors could be opened

Twenty persons detailed were ar-raigned this morning and cases reset for after the inquest. Four are members of the company and are the cinal witnesses. Their hond has been reduced from \$5,600 to \$1,000 each. Twenty chorus girls are under surveil to prevent their departure from ance the city.

#### Condolence From the Czar.

Washington, Jan. 2 .- The president has received the following cablegram from the kalser:

terr.ble catastrophe Dews of the which has befallen the people of Chi-cago. The empress and myself wish to convey to you how deeply we feel for the American people who have been so cruelly visited in a week of joy. Please convey expressions of our sincerest sympathy to the citi-zens of Chicago. May Providence in zens of Chicago. May Providence in the coming year shield you and Amer-ics from such accidents."

#### Must Observe the Laws

Chicago, Jan. 2.-The mayor, at the request of the ouliding commissioners will this evening order all theaters of the city closed indefinitely, until the laws are fully complied with

#### No Shortest Day in 1903.

There was no shortest day in 1903, in the Northern hemisphere, as the sun attained its greatest southern declination at midnight on December 22, the 22d and 23d being of equal tongth and slightly exceeded by the

#### WILL GROW SUGAR BEETS

#### La Grande Sugar Factory People Will Grow a Test Crop in Umatilla County.

F. F. Bramwell, one of the principal owners and the field superintendent of the La Grande Beet Sugar fac-tory, is in the city today on business connected with that institution. The sugar factory people desire to secure an amount of land in Umatilla county, for the purpose of growing a test crop of beets, and will give the matter a thorough and practical investigation. practical investigation The soil of this county is thought to be fully as well adapted to the sugar beet as that of Union county, and if the crop proves to be a suc-cess, a factory will surely be built in this county in the near future. Anyone desiring to furnish a tract of land for the purpose of testing a crop sets, can set the particulars from Mr. Bramwell at La Grande.

C. L. MARTIN RELEASED.

Charged With Obtaining Money Under False Pretenses From Maple Bros.

Upon motion of the district attor-L. Martin was this afternoon ney, C. released from the county jail, where be has been for several months, on a charge of obtaining money under false pretenses, from the firm of Mapie Brothers, of this city,

Martin represented himself as the agent of an electrical supply house in the East, and had the local firm cash a check for him for \$20. He has also done the same thing in La Graude, cashing one caeck in a saloon, and one more in a business house. One of these he settled, but the other stil against him.

The charge was dismissed owing to the fact that it would cost too much to secure the witnesses against him.

Japan has formally recognized the republic of Panama.

knee. Dr. Henderson was called and set the bone and the little sufferer

is now resting as easily as could be expected.
