AMONG THE EXCHANGES OF THE INLAND EMPIRE

Baker City Whisky Bad. Jim Steward, who was taken out of the city jail Saturday morning, fined, the fine remitted and given until the afternoon to get out of stown owing to his done-up condition, walked into the Star saloon yesterday and soon created a wild commotion. He was followed into the saloon by a man who had picked up his hat and offered it to him. Steward thought the man was trying to kill him and went into a fit such as was never witnessed that place before. He bit and kicked and fought like a demon. It required the combined efforts of three men to hold the fellow although he was practically a shadow from dissipation. The officers finally tied and carried him to the county jail as a raving maniac. The news spread about town that a man had suddenly become raving mad. Steward damaged himself considerably by biting his hands and arms and made desperate efforts to kill those about him.—Baker City Herald.

Dayton Woman Dies at Sea. A telegram received from San Francisco by Will Dorr, registry clerk in the Walla Walla postoffice, announces the sudden death of his mother, Mrs. Ellen R. Dorr, which occurred in mid-ocean while she was returning to the United States from Manila. She died on the morning of November 2 and death was caused by heart trouble. The remains were interred at sea. Mrs. Dorr and two of her children, Bert Dorr and Bessie Dorr, went to Manila about two years ago to visit with Fred Dorr, a large merchant of that city. They left Manila on their return on a sailing vessel and were due to arrive in San Francisco the latter part of December. The deceased was a pioneer resident of Dayton and was well known throughout Columbia county.—Walla Walla Statesman.

Fossil Coal Mines. Lewis Walker, the man who bought Charles Miller's interest in the Fossil coal mines, situated about 14 miles south of town, says he has a better prospect than that near Heppner, of which so much is heard lately. He has had two men at work developing the prospect during the past week and they have got out a fine looking lot of coal. Mr. Walker and his associates have recently got control of 1,100 acres of coal land in the vicinity of where they are working and are fully confident that they have the best coal fields in the West. They are going to put in an increased force and a big drill during the coming spring.—Fossil Journal.

May Have Had Smallpox. Quite a little excitement was occasioned this morning by the announcement that an Indian had died at the little settlement across Fourth street bridge of smallpox. It seems that his ill-effects had given little heed to the fellow, though he has been sick for some time, and it is thought the case was a light one, but from lack of care the Indian caught cold. Judge Blakeley had the dead man buried and steps have been taken to quarantine against the Indians. No cases have been reported among the Indians for over a year.—The Dalles Chronicle.

Boise Woman in Chicago Fire. In a letter received from Miss Lorna Sonna, who is attending the Chicago Conservatory of Music, she states that she was in the terrible fire at the Iroquois theater last Wednesday afternoon. She says that it was a miracle that she escaped. Miss Sonna occupied a seat in the first balcony, and was one of the first to notice the flame. Immediately she started to leave, but was caught by an usher, who attempted to prevent her from going. She told him that she was fainting and he let her pass. She said that people were walking

over the bodies of fainting women in their efforts to escape. But she kept her presence of mind and succeeded in holding to her jacket, which she was carrying. As soon as she was out of the building she entered a nearby fruit stand, where a number of motherless children had collected.—Boise Statesman.

Famous Herd Changes Owners. One of the most important changes in the live stock business was consummated Saturday, whereby the Butterfield Livestock Company, limited, of Weiser, became the owners of that noted flock of high grade Hampshire sheep belonging to John McMillan of Boise. This flock has always been considered one of the best and the ewes being high grade, equal in all respects to registered sheep for range purposes, make the bucks raised very popular with Idaho flock masters. In fact the lambs raised from Hampshire bucks and Merino ewes hold the Idaho record for early maturity and heavy weights. Bands of lambs dropped in the middle of February are being sold in Omaha and Chicago in the first week in July averaging over 70 pounds per head. The same company has also purchased the gran. lot of registered ewes from Mr. McMillan.—Boise Capital News.

MARKET REVIEWED

PORTLAND APPLE MARKET IS MUCH BETTER.

Decreased Receipts Have a Good Tendency on the Market—London Market Overstocked With Canadian Fruit—Walla Walla Only Produced One-half the Usual Amount.

Portland, Jan. 6.—The apple market is looking up, with an improvement in demand and the tone generally. The better feeling is due to the falling off in receipts, which has enabled dealers to work off much of the accumulated stock. Fancy table apples, such as Spitzenbergs, Newtowns, Jonathans and the best Northern Spys are hard to get, though poorer grades are plentiful enough in the country.

While prices have not materially advanced, the tone of the market is stronger. There is not much being done here in a shipping way, aside from a few small lots going out on the Oriental steamers. The London market is in a poor way, being heavily overstocked with Canadian fruit. Oregon Newtown Pippins are quoted at 10s 6d, and California Newtowns at 7s 6d.

Advices from Walla Walla say that the apple crop of the adjacent territory has been checked up, and from figures obtained from reliable sources, the total output is about half that of last winter. The shortage is evident in both quality and quantity. In 1902, fully 150 cars were sent out, while the total for this season will not be over 75 cars. This season not a single car of peaches was sent from the city.

FRUITS. Bananas, 40c dozen. Apples, 75c@81c per box. Lemons, 40c doz. Oranges, 40-50c doz. Cranberries, 15c per quart.

LIVESTOCK AND POULTRY. The following prices are paid by dealers to the producer: Turkeys, 12@14c. Chickens—Hens, 7c; \$3@4 per dozen; roosters, 4 to 6 cents. Geese, per dozen, \$9. Ducks, per dozen, \$3.50@4. Butter, 50@75c, good. Eggs, fresh, 40c.

CHOICE BEEF CATTLE, ETC. Steers, \$3.25@3.50. Cows, \$2.50@2.75. Hogs live, 4 1/2@5c. Hogs, dressed, 6 1/2@7c. Veal, dressed, 60@7c. Sheep, \$2@2.50.

HAY AND FEED. Chop barley, \$22.50 per ton; 1 1/2c per lb. Chopped wheat, \$1.40 per 100. Bran, 60 cents per sack. Shorts, \$1 per sack. Oats, 1 1/2 cents per lb. Alfalfa, loose, \$12 per ton. Wheat, loose, per ton, \$12. Timothy, baled, per ton, \$20.

LOCAL HIDE MARKET. The following are the prevailing average prices for hides in this market: beef, green, 4c per lb.; beef, dry, 10@12 1/2c; mink, 50c each, with a possibility of \$1 each if the size is good and the condition prime; coyote, 50@75c; bear skins, according to quality and size, from \$3 to \$15; coon, 35@40c; horse, \$1@1.25; sheep, green, 6c; sheep dry, 7 1/2c; lynx or bob cat, 15@30; skunk, 25c; badger, 15@30.

Vaudeville Managers Meet. New York, Jan. 6.—Members of the Vaudeville Managers' association met in New York today and discussed the necessity for closer relations, the idea being to obviate the drawbacks of long railroad jumps and arrange for consecutive bookings from city to city. The leading vaudeville houses of Buffalo, Cleveland, Cincinnati, Pittsburgh, Philadelphia and other cities were represented at the conference.

Trial of Congressman Briggs. New York, Jan. 6.—The case of Congressman Edward H. Briggs, indicted on charges growing out of the postal frauds, was called for trial today in the United States circuit court in Brooklyn. United States District Attorney Youngs appeared for the prosecution.

Depth of your regard for a thing generally depends on the attitude of the price that you paid for it.
