Willia I first heard of Doan's Kidney Pillia I had been suffering for over a year with pains in my loins and back and with a weakness of the kidneys, and I therefore decided at once to try the pills. I got a box at the Brock & McComas Co. drug store. Now I don't want to say that they have entirely cured me, for the trouble may return some time in the future, but they entirely relieved me the backache and up to this time I have had no return of the trouble. Only the other day I told a lady friend who is suffering from kidney trouble to try them and have recommended them to others. I shall continue to do so."

The Oregon Daily Journal's market

Portland, Jan. 8 .- As was exclu-

sively predicted in the Journal yes-terday, the feed market today show-

od some advances. The cause of this is that the feeding season is now in

full swing and the short stocks of feed on hand. Bran advanced 50

cents a ton, while shorts went up the same amount. The new quotations on feed are: Bran. \$20; middlings, \$24; shorts, \$20.50; chop. \$19. At the new quotations the market is strong and further advances are not con-sidered unlikely at this time.

Wheat Market Strong. The wheat market is stronger on

account of the sensational rise of prices in the Chicago market. Al-
