While local causes may serve ventions now being held there, will to make money tight temporarily, be a splendid thing for the developthere is but little danger of hard ment of the coast. Men of money times in the West while we have such and influence will see our matchless salimited markets to supply and so many undeveloped natural resources. into the land of blizzards and drouths The coming of the Oriental liner Indrasamha marks an epoch in the Oriental trade. The following facts from the Portland Journal are interesting in this connection:

One million dollars worth of silk is being brought by the Oriental liner indrasamha, which sailed from Yokohama yesterday for Portland. The shipment consists of 250 tons, which is valued at more than \$4,000 a ton.

Immediately upon the steamer's arrival the silk goods will be transferred to cars and given rapid transit East. The consignment goes princi-

East. The consignment goes principally to New York.

Six cars will be required to transport it, and the train will make passenger time. Baggage cars will be used and it will be the first time in the history of the O. R. & N. that a train of that character ever reasons. train of that character ever ran over its line.

The indrasamha is bringing a full eargo. All told, it will amount to 186 cars. A big portion of it consists of exhibits from Manila for the St. Louis exposition-probably enough, it is said, to make 150 cars. There is also a big shipment of jute and hemp coming from the Philippines and in addition to the regular cargo of Chinese merchandise and other ware the total value of the freight will run up on about \$1,500,000. The vessel is coming direct to Portland

### BACKBONELESS OFFICIALS.

What is needed in public officials

till the emergency arises when the world sees their unfitness. They have not met the issues which arose daily, but have dodged them till they of French history. It embodies reare unable to exert their authority of collections of the civilized wirid. 'I such an official was the inspector of recalls a story as tragic and romantic theaters at Chicago. He didn't know as any. It brings to the front a pichis duties, had never reported to any at which the slow moving finger to body, didn't know he had a right to scorn will always point enforce the regulations governing theaters and as a result the evidence brought out the fact that the fireman army stationed there was a mere dummy to the turning point is hinged upon a comply with the law, who had never trifle and it is worth the retelling for had any experience at fires, his act the sake of the old, old truth—he cupation driver of an express wagon, trail, An exchange summarizes some of the additional facts brought out at the coroner's inquest over the bodies of date of a telegram. Was it sent on the victims of the disaster.

The curtain wouldn't work, the exits were locked, the nre escapes had no ladders but were deadly traps, information had reference to the there were no appliances for fighting proaching mobilization of the French fire, there was not even a fire alarm. If sent April 1, 1884, it was fire, there was not even a fire alarm army box, the employes didn't know how to operate the levers that opened the port doors, the skylights were fastened down, there was no fire curtain, the exits were not only not marked but were concealed by draperies, there And were no separate exits from the galleries, and there were only two hot, the discovery ties of "kill fire" in the whole theater. Each of these things was in direct violation of the law, and the Chicago building commissioners whose duly it was to see that all these things were supplied are looking for the persons who are to blame for the One of Proquots disaster.

The favorable report of the senate committee on the appropriation for the Lewis and Ciark exposition means much for the upbuilding of the West. It means low rates from the Time was when the Atlantic was East, which will bring many here to

The white-winged dove or peace is the waters. They are munching our reported as hovering over the Eastseis and munitions of war. > resources and when they get back they will begin to compare it unfavorably with Oregon. The next step will be that they will pull up stakes and be coming out here.

#### The Cause of Many Sudden Deaths.

There is a disease prevailing in this tive. Many sudden deaths are caused by it—leart discase, pneumonia, heart failure or apoplexy are often

the bladder, or the kidneys themselves break down and waste away cell by cell. Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day.

compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful

cures of the most distressing cases.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both seat for he mail. Address D. 151 both sent free by mail. Address. Dr. Kil-mer & Co., Binghamton, N. V. When What is needed in public officials as a large infusion of bonemaking material, so they will have sufficient backbone to do their duty. Some men glide along the line of least resistance of the line of least resistance but the line of least resistance but the line of least resistance lottle. Binghamton, N. Y., on every bottle.
