AMONG THE EXCHANGES OF
THE INLAND EMPIRE

Almost Criminal Negligence.

That the city officials have been negligent in their enforcement of the building ordinance and that many dangerous buildings in consequence have been permitted to be occupied was frankly admitted yesterday by Mayor Boyd. Asked about the matter, the mayor said:

"When I first thought of appointing a committee of citizens to inspect the public buildings in Spokane I had a consultation with Commissioner Weymouth about it. He said to me very frankly that the board of public works had not been sufficiently diligent in enforcing the ordinance. He attributed its failure to do so to two causes: First, that there was no public sentiment to back up the board should it attempt to do so, and second, that no member of the board has time to properly perform the duties required.—Spokane Review.

Sad Reminder of Flood.

The horror of the Heppner flood was recalled to the officers of the boys' and girls' aid society in Portland yesterday, when a beautiful dark-eyed baby girl was brought to the home to be cared for. Her name is Ada Morris and it is said that her parents perished in the flood. Miss Fleet, of Olex, a nurse who was employed in the family was saved with the babe, and desiring to find it a good home chose that of Mrs. Florey, of Watato, Yamhill county, agreeing to pay \$10 a month for its care. After keeping it for six months with little remuneration Mrs. Florey has turned it over to the aid society.—Dallas Chronicle.

New Creamery for Boise.

The consolidated creamery company of Boise, with a capital of \$50,000, has just been incorporated, and has purchased the plants and good will of the Meridian creamery and Boise creamery and will operate both plants, as well as the skimming stations at Star and other points in the valley. Additional skimming stations will be established until the

whole territory is thoroughly covered. A new ice house, 22x50 feet and 20 feet high has just been completed and is now packed with ice for next summer's use.—Boise Capital News.

Prompt Payment of Taxes.

County Treasurer Hawley has completed the work of checking up the 1902 tax rolls in his office and has made a report to the county commissioners. According to the figures there remains on the books uncollected for taxes for the year 1902 the sum of \$5,559.02, that being the smallest amount of uncollected taxes reported for many years. About 97 1/2 per cent of the entire levy has been paid in, and what remains on the books will probably all be paid in by the last of February.—Walla Walla Statesman.

Wild Animals Troublesome.

Reports are not infrequent of the presence and depredations of cougar in the Blue mountains near Weston, but it is seldom that one is actually encountered in the flesh and brought to brook for its misdeeds.

Thomas Narkaus and John Bloom, residents of Wild Horse mountain, had the glory a few days ago of really and truly killing a cougar. The beast was a handsome specimen of the cat tribe, and weighed 150 pounds. The skin was sent to a taxidermist at Pendleton for mounting.—Weston Leader.

First Paper in Idaho.

There has been considerable talk here lately as to the first paper printed in this state. A statement was recently made that it was issued in the city of Lewiston, August 29, 1873, by A. S. Gould, and was called the Golden Age, but this is not correct.

On February 16, 1865, James S. Reynolds & Co. issued the first number of the Idaho Weekly Statesman, a copy of which is now in possession of Mrs. Jessie F. Baker of Lucile, a mining town in this state.—Grangeville News.

"At Maloney's Wedding." Tonight at the Frazer Theater.

"MALONEY'S WEDDING" TONIGHT

Humorous Sketch With Bevy of Beautiful Chorus Girls at Frazer.

With a bewildering abundance of beauty, a flare of music and a wealth of gorgeous scenery the new "Maloney's Wedding," a musical comedy of more than ordinary pretensions, will make its bow at the Frazer tonight.

The play has undergone a thorough renovating since the last visit and little remains of the old play save the title. Aside from its claim as a scenic spectacle "Maloney's Wedding" possesses a capital comedy

plot through which a rich vein of humor and clean wit runs riot.

Funny incidents, quaint sayings, novel scenic and applause inspiring calcium effects lend their potent charm toward ridding the troubled world of its work-a-day care. It is an attraction calculated to inspire laughter and amusement and the maximum of the management is that "one laugh is worth a hundred groans in any market."

Therefore, go and see "Maloney's Wedding," laugh and grow fat. Will make you brighter, happier and prove a pleasant acquisition to your storehouse of pleasant memories.

FREIGHT RATES ADVANCE.

Through Shipments on all Roads West of Mississippi.

Chicago, Ill., Jan. 18.—Nearly every pound of freight shipped by jobbers from eastern and middle eastern points to the Pacific coast is affected by the advance in commodity rates put into effect today by the western railroads and their eastern connections. The lines making the advance are the Southern Pacific, Union Pacific, Great Northern, Burlington, Northern Pacific and Canadian Pacific. The increase averages 17 1/2 per cent.

Merchants and shippers are understood to be much aggrieved because they do not consider that they were granted sufficient opportunity to adjust their business to the changes consequent upon the advance in rates. The first reliable information they had was conveyed in copies of the new tariffs. Some of the more important commodities affected

by the new tariff are machinery, structural iron and steel, sewing machines, stoves, agricultural implements and canned goods.

Coincident with these advances are new regulations for handling live stock. Shippers of poultry hereafter will be required to pay for the transportation of every man sent with shipments and those who accompany cattle shipments will not be granted return transportation.

A PREACHER'S OPINION.

Tribe is the Remedy for Liquor and Tobacco Habits That Has Effected the Greatest Number of Cures. The Rev. J. R. N. Bell, pastor of the Presbyterian church, Baker City, writes: "A permanent cure at a normal cost is what the public has wanted for many years. I have watched with interest the good results obtained by your remedy for liquor and tobacco habit, TRIB, and feel I can safely and heartily recommend it to all in need."
