NEW WATER SYSTEM

CITY OF ADAMS WILL
INVEST IN A PLANT.

Will Probably Sell the Bonds to Umatilla County Investors — Central Reservoir to Contain One Hundred Thousand Gallons and Cost About Six Thousand Dollars — Distributing System Will Cost Additional.

The people of Adams are considering plans for raising money for their proposed water system. At the present time they have no public water supply, but they have been figuring and have about decided to issue bonds for a sum sufficient to build the plant.

City Engineer G. N. Miller of this city has the work of estimating the cost, and thinks that a reservoir will cost the city about \$6,000, and in addition to this amount the distributing system will have to be installed.

People of Adams and men of this city are considering the purchase of the bonds, and it is thought that they will be put on the market in a few days.

When the works are installed the city will have an admirable water supply. The source will be in Wild Horse canyon and the water will be piped to the reservoir. There is fall to bring it to a point 80 feet above the city, where the reservoir will be built. The reservoir will hold 100,000 gallons of water, and will be lined with cement, making it sanitary as possible. It will take the city about two months to get the system into operation after the issuance of the bonds and the commencement of the work.

Women's Headaches

542 1-2 Congress Street.
PORTLAND, MAINE, Oct. 17, 1902.

I consider Wine of Cardui superior to any doctor's medicine I ever used and I know whereof I speak. I suffered for nine months with suppressed menstruation which completely prostrated me. Pain would shoot through my back and sides and would have blinding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for I seemed beyond the help of physicians, but Wine of Cardui came as a God-send to me. I felt a change for the better within a week. After a few days treatment I menstruated without suffering agonies I usually did and soon became regular and without pain.

Wine of Cardui is simply wonderful and I wish that all suffering women knew of its good qualities.

Mrs. Wilhelmina Snow
Treasurer, Portland Economic League.

Headaches are the danger signals of coming disease. Both men and women suffer headaches, but periodical headache falls only to the women and is the unerring sign of irregular menstruation and bearing pains. Completely prostrated by nine months of suppressed menses, racked by headaches and racked with pain Mrs. Snow was made a strong healthy woman again. Remember with Wine of Cardui no case is so bad because this great remedy cures permanently nineteen out of every twenty cases and never fails to benefit a case of irregular menses, bearing pains or any female weakness. If you are discouraged and doctoring failed, try Wine of Cardui, and try it now. Remember that last mean female weakness. Secure a bottle of Wine of Cardui today. All druggists sell \$1.00 bottles of Wine of Cardui.
