MILTON AND ATHENA

SIXTEEN PUBLIC SCHOOL TEACHERS ARE EMPLOYED.

Supt. Nowlin Regards the Milton Public Schools as Models—High Standards Prevail and the Most Modern Systems of Instruction—Eighth Grade Examinations January 27.

County Superintendent J. F. Nowlin has returned from a trip to the schools at Athena and at Milton, finding them in a flourishing condition.

The Athena schools are under the direction of Professor Marvel Watts, assisted by George Marquis and a corps of seven teachers. The work done is of the first grade, and the schools are in good condition and are doing the best work possible.

At Milton, Professor T. C. Salt, assisted by nine of the best teachers in the county, is making the schools the best in this part of the state. According to Professor Nowlin the Milton school is at the head of the list in regards to the work that is done. The standard is higher and the requirements more rigid than in any other school in the vicinity. The scholars turned out are better trained for the higher work to follow, and take their places quicker than those of other schools.

The examinations for the eighth grade will be held on January 27 throughout the county, and there will be classes ready for the trial at Milton, Helix, Ukiah, Pilot Rock, districts 37 and 43, and at several other points.

On Saturday afternoon next there will be a local teachers institute at Athena under the direction of Professor Marvel Watts, which the teachers of the surrounding country will attend.

Cured After Suffering 10 Years.

B. F. Hare, Supt. Miami Cycle & Mfg. Co., Middletown, O., suffered for ten years with dyspepsia. He spent hundreds of dollars for medicine and with doctors without receiving any permanent benefit. He says: "One night while feeling exceptionally bad I was about to throw down the evening paper when I saw an item in the paper regarding the merits of Kodol Dyspepsia Cure. I concluded to try it and while I had no faith in it I felt better after the second dose. After using two bottles I am stronger and better than I have been in years, and I recommend Kodol Dyspepsia Cure to my friends and acquaintances suffering from stomach trouble." Sold by Tallman & Co.

BETZ BREWERY SOLD.

Brewing Plant at Walla Walla Brings \$200,000.

Walla Walla, Jan. 22.—The deal that has been in course of consummation for several weeks for the sale of the Jacob Betz Brewing establishment, has practically been closed and the transfer is to be made in a few days. While the papers have not been signed, they have all been prepared and are ready for the signatures.

The price paid is said to be \$200,000. The company is composed entirely of local saloon men and a number of Walla Walla capitalists. It is understood that Mr. Betz will retain about \$25,000 worth of stock in the new company.

A FACT PROVEN.

Should Convince Even the Most Skeptical of Its Truth.

If there is the slightest doubt in the minds of any that Dandruff germs do not exist, their belief is compelled by the fact that a rabbit inoculated with the germs became bald in six weeks' time.

It must be apparent to any person therefore that the only prevention of baldness is the destruction of the germ—which act is successfully accomplished in one hundred per cent. of cases by the application of Newbro's Herpicide. Dandruff is caused by the same germ which causes baldness and can be prevented with the same remedy—Newbro's Herpicide.

Accept no substitute. "Destroy the cause you remove the effect."

Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.
