in responding to the call for better ment should be voted on this year. protection for the public in Pendieton The corrupting influence of the polittheaters is highly commendable. Peo- ical convention is more and more apple may visit a fire-trap every night parent every year, and voters of every for a dozen years without a mishap- party are pushing this amendment, and yet a terrible accident might hap to give the sovereign citizen an equal ered thing to toy with

seeply as anyone with the thought of before each general or special eleca legal execution, and the destruction tion, and that every qualified elector of a life by law. It regrets the social in the state shall vote at this primary system which legalizes murder. It believes that a criminal could be to be nominated for the different of made to pay a greater penalty for his deeply as anyone with the thought of erime by working at hard labor for convention, and places the nominatthe state, for the remainder of his ing power directly in the hands of life. It does not believe that hanging the common people where it belongs. deters men from committing certain crimes, which can always be traced to a species of insanity, or to passion. And yet there is another side of the question. Armstrong took an innocent life; plucked out the flame of being of a young, hopeful girl, who had committed no wrong against him, or against society. Her life belonged to her, and he deprived her of it. without warning or cause. He wrung the heart-strings of parents and famfly, robbed society of a valuable and innocent member, and in view of this outrage, the old Hebraic law which exacts an "eye for an eye" seems the only adequate way to meet the extreme brutality of such unwarranted

The wreck of the Cialiam and the City of Portland, both declared to be unseaworthy after the sacrifice of nearly a hundres lives, is evidence that the inspection of boats in the coastwise trade is incomplete. Old tube that should be in the scrap pile are rushed into service because there is a big profit in a small investment of that kind and the public pays the penalty in a so-wowful manner. Since the increase of trade occasioned by the rush to Alaska every old bottom that could be painted up and named nnew has been pressed into service and some rigid enforcement of ship ping laws is needed to protect the

ness a greater volume of business and travel to Alaska than any previous year and steps should be taken to make the trip safe on any boat leaving the harbors of the Pacific The world's a garden; life's a road Coast, so far as seaworthy vessels are concerned. It is impossible to controf the storms or lessen the dangers of the ice fields of the Bering Sea, but both these recent disastrons ocean accidents have been occasioned, by derects in the old boats themselves. The communication octween the Paeffic Coast and Alaska is to become closer as the northern territory is settled up and developed and the public should indignantly refuse to ride on any old tub set adrift in that

Falling in a disgusting attempt to use" the city council for personal objects. Wednesday night, the Morning Tribune now insults the mayor and members of the council, by mak ing a childish and sickening squeal because its disbonest efforts were fruitless, before that intelligent body of citizens. For 28 years the East Oregonian has been as only real newspaper published in Pendleton. and the continued patronage granted it by successive city administrations. despite the cheap efforts of mush mom political sheets to make tools out of city councils, proves to every nair-minded citizen that although this paper has occupied the field alone, it has never abused a privilege or betrayed a trust. The city will been cocked for some time, but no continue to be conducted on the same intelligent .. nes, as in the past, despite such groveling tricksters who would convert the municipal governistered to this first attempt to "touch" the tax-payers through them.

The petitions asking for the direct tion are expected to arrive at the office of the county clerk today. These tary of state by February 6, and the friends of this movement must lose no time. The petitions should be energetically circulated, by everybody The prompt action of the council who can spare the time. The amending public servants. The amendment, if adopted, provides that primary The East Oregonian is touched as elections shall be held in due time election for his choice of candidate,

CURE CONSTIPATION. NO-TO-BAC field and guaranteed by all deng SIZING UP JUDGE PARKER.

He is said to be an able lawyer and He is said to be an acte taxtory just judge, but he has never occu-nied a place in the real political life of New York. His presidential claims rest largely on the fact that he carried the state of New York he carried toe state of New when he was a candidate for

when he was a candidate for judge of the court of appeals in 1897.

Another element of impersonal strength with Judge Parker is in the fact that he lives in New York. It is still regarded as a pivotal state in presidential contexts. presidential contests. Beginning with 1864 when McClellan made blo Beginning hopeless run, all democratic candidates were from New York until Mr. Bryan swept the Chicago conven-tion off its feet and attracted a following that gave him two nomina-tions. The state was lost by McClellan, lost by Greeler, carried by Seymour, carried by Tilden lost by Hancock carried twice and lost once by Cleveland. The record once by Cleveland. The record shows that the state fluctuates even when her own sons are in the field and that ner vote is not determinate. -Detroit Free Press.

TWO MAIDS.

That passes near and winds away Within the close two maidens are Who scan each traveler afar— One brightly clad and one in gray

The maid in shining garb is Joy.
And few that pass are healed in

Demorely she conceals her face The other Woe goes forth apace
To holdly meet each traveler.
—Chicago Record-Herald.

SORE HANDS

Itching, Burning Palms, Painful Finger Ends, Shapeless Nails.

SORE FEET

Inflamed, Itching, Burning, Sore, Tender and Perspiring.

ONE NIGHT TREATMENT.

Soak the hands on retiring in a strong, hot, creamy lather of Cuticura Soap. Dry and anoint freely with Cuticura Ointment, the great skin cure and purest of emollients. Wear, during the night, old, loose kid gloves, or bandage lightly in old, soft cotton or linen. For red, rough and chapped hands, dry. fissured, itching, feverish palms, with brittle, shapeless nails and painful finger ends, this treatment is simply wonderful, fre-

quently curing in a single application.

Complete local and constitutional treatment for every humour of the skin, scalp and blood, with loss of hair, may now be had for one dollar. Bathe with hot water and Cuticura Soap, to with not water and Cuticura Soap, to cleanse the surface of crusts and scales, and soften the thickened cuticle. Dry, without hard rubbing, and apply Cuti-cura Ontment freely, to alisy itching, irritation and inflammation, and soothe and heal, and lastly, take the Cuticura Resolvent Pills to cool and cleanse the blood. This treatment affords instant relief, permits rest and sieep in the severest forms of Eczema and other itching, burning and seep itching, burning and scaly humours, and points to a speedy, permanent and economical cure of torturing, disfigurfrom infancy to age, when all other remedies and the best physicians fail.
