In the sale for delinquent taxes at Union this week, it is a noticeable fact that there was but two pieces of property on the list in the city of Union, says the Union Republican. One of these pieces belonged to a non-resident and the other publication was an error. Thus it is shown that the taxes in Union were paid almost to the last dollar.

NOTED HORSE TRAINER.

Professor Haw Will Give Free Street Exhibitions This Week.

Professor Haw, the successful horse and animal trainer, who has traveled in the Middle and Eastern states, and has gained a great reputation for his ability to handle and break the wildest horses with the ease and gentleness as if they were sheep, is in Pendleton and will give a free exhibition of his power over animals at Jay & Jensen's blacksmith shop, on Cottonwood street, every evening at 7:30 o'clock for four days, commencing Wednesday, January 27.

Speaking of Professor Haw, the Rockwell City (S. D.) Advocate, says:

"The school of horsemanship conducted here the past and present week by Professor Haw has proven a revelation to even those who thought they possessed a thorough knowledge of the equine. The professor has instructed a class of 37, who have been enthusiastic students of his methods of training and judging the horse, and we look to see young horses much better broken in this locality from this time, as a result of his able instruction. With this method he succeeds in taming the most refractory animal in a few moments and his power over a wild horse seems most remarkable."

Professor Haw has been conducting schools of horsemanship throughout the Dakotas, Montana, Colorado and the Eastern States with great success, and comes to Pendleton with highest endorsements from leading horsemen all over the country. He extends an invitation to all to attend his free exhibitions and witness his system of training and handling the most fractious horses.

YOUNG BOY A FORGER.

Nez Perce Youth in Jail for Issuing False Check.

Lewiston, Jan. 26.—Dillard Martin, aged 18 years, was brought to the city yesterday from Nez Perce, and is confined in the county jail, awaiting trial before the district court on the charge of forgery. Martin entered a plea of guilty when arraigned on the charge before Justice Crawford of Nez Perce and his bail was fixed at \$300 which he failed to provide.

The complaint against Martin was made by A. S. Carley, of Nez Perce, and the young man is charged with fraudulently issuing a check in the sum of \$11.65 cents, bearing the signature of Charles McCallister, and with which he attempted to defraud J. S. Tyler.

New Railway Mileage.

New tracks to the extent of 5,223 miles were added to the American railway system in the year just closed. The mileage of all roads in the United States now reaches a grand total of 209,855 miles. According to the Railway Age nearly all of the new mileage of '03 was laid in the eastern states, Oregon being credited with but 30 miles. Washington 116 miles, and California with 167 miles.

A well known California race horse killed a bear recently while he was being taken from one stable to another. The bear started the fight and the horse squared away and kicked the bear to death. It was all the stablemen could do to lead the horse away from the scene of his victory.
