

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

WASHINGTON ARID LAND TO BE RECLAIMED

Franklin County Project is Looked Upon Favorably by Government Engineers—Will Reclaim About Twenty Sections of Good Land.

Walla Walla, Jan. 27.—The United States government is almost sure to carry out the Palouse river irrigation project, the little known, but highly important enterprise which would irrigate all of Franklin county below the 800 or 900 foot level, with small portions of Adams county.

This, at least, is the view of those who have recently talked with the government engineers who are working in the preliminary surveys, and who pronounce the Palouse river scheme not only entirely feasible, so far as they can see, but as particularly desirable in other ways, from the government's standpoint.

The Palouse river government irrigation project is entirely separate from the Big Bend irrigation scheme, which has aroused so much attention in the Inland Empire the past few months, and for which the government made such huge withdrawals of land from all save homestead entry in Adams, Franklin, Lincoln and Douglas counties.

This proposed enterprise would involve taking a ditch out of the Palouse at a point near Hooper, whence the canal would pass along the big coulee that extends from that point into southeastern Adams county until it came a few miles from Washtucna.

From Washtucna to Connell lie a series of sections for twenty miles which for the most part constitute a huge basin into which the proposed canal would discharge.

All the original government sections in this basin were some time ago withdrawn by the government, and while all of them were settled sometime ago, the move is considered as indicative of the intentions of the department.

ANNUAL RABBIT DRIVE.

Blalock Island Will Be Scene of Campaign Soon.

Spokane, Jan. 27.—The annual rabbit hunt on Blalock Island in the Columbia, will be held February 21 and 22 this year. The principal delegation will be from Spokane, as the principal promoters of the island enterprise now live in Spokane. The hunt is also made the occasion of a pleasure jaunt for a number of Spokane sportsmen, and quite a number are expected from out of place. A few also attend each year from Walla Walla and other points. A drive on Blalock island is different to a drive on the Butter Creek plains southwest of Echo, inasmuch as guns, not clubs, are used and the rabbits hemmed in by the Columbia on either side, have less chance to get away. If there are sufficient shooters to make any kind of connected line across the island.

LOGGER INJURED.

Heavy Log Rolls Over John Friedberg at Steel Spur.

La Grande, Jan. 27.—John Friedberg, an employe of the sawmill at Steel Spur, a few miles from this city, was severely injured Tuesday afternoon by being caught under a heavy log. He was engaged in loading the log on trucks, and the log had been anchored part way up the skids with a hook and chain, and as he was passing on the lower side the hook gave way, the log rolling back upon him, his hips being badly crushed by the heavy piece of wood.

The injured man was immediately brought to La Grande for medical aid and the attending physicians say that the injury is a very severe one, but may not prove fatal.

Duluth Poultry Show.

Duluth, Minn., Jan. 27.—The eighth annual show of the Duluth Poultry Association is now open and will be the center of interest among poultry lovers until it closes February 3. The largest display of birds in the association's history is offered. Many parts of Minnesota and neighboring states are represented, and the competition among exhibitors is lively. One of the most striking features of the show is the exhibit of pigeons. Turkeys, geese and ducks are also shown in great numbers.

New York Horticulturists.

Rochester, N. Y., Jan. 27.—The Western New York Horticultural Society began its annual meeting here today with a large and enthusiastic attendance. Teachers of horticulture and expert entomologists will be heard during the two days the convention will be in session, in addition to a number of prominent fruit growers of New York state and Canada. In conjunction with the meeting there is an interesting exhibit of several hundred plates of the finest products of garden and orchard.

Farmers and Horsemen THIS IS FOR YOU

PROF. HAW

WILL GIVE

A Free Exhibition ON HORSES AND CATTLE

Every Evening at 7.30 p. m., at PENDLETON, commencing January 27 for Four Days, at Geo. Froome's Livery Barn, on Main street

After which a class will be formed in horsemanship, and all scholars joining the class will receive a book with all the instructions in it, with remedies for all common diseases and lameness in both horses and cattle, and a great many remedies for family purposes, together with a life membership ticket that will entitle you to all schools in the United States teaching this system. The tuition is \$5.00 if you are satisfied, and not one cent if you are not. Remember you run no risk. There is no chance for you to be humbugged for you are to be the judge.

You See It Before You Pay For It

PROF. HAW WILL TEACH how to break colts right. How to break a horse from kicking in single double harness. How to break runaway horses. How to break switchers. How to break plungers horses that pull at the halter or bridle. How to break balkers, biters, strikers, plungers. How to break horses that shy, tear the blanket, carry the tongue out of the mouth. In fact, I teach how to break up bad habits of all kinds. How to break wild heifers and kicking cows to stand quiet while being milked. How to prevent all kinds of stock from jumping or crawling through fences. How to turn an ugly bull out and he won't chase anyone. How to put wethers back and prevent any animal from throwing them again; in case they are injured, how to remove them and save the cow. How to have clean milk-cows. Besides any number of things I do not advertise here. Your horses and cattle may be all right today, but are you sure they will remain so? Prepare against such emergencies. Come in to the Free Exhibition. Through the Class.

If I don't show you these things to your satisfaction, it will cost you nothing.

BIG AUTO MEET.

Great Racing and Exhibition Event in Florida.

Ormonde, Fla., Jan. 26.—The time for the big automobile race meet here, for which preparations have been making since last fall, is at hand, and Dayton and the neighboring resorts along the east coast are filled to overflowing with prominent motor enthusiasts, the number including both amateurs and professionals.

Foremost among the amateurs is W. K. Vanderbilt, Jr., while the professional class is represented by Barney Oldfield and others equally well known. Today and tomorrow will be given up to practice spins along the splendid racing course. The big events on the racing program will be contested during the three days beginning next Thursday.

A Very Close Call.

"I stuck to my engine, although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman, of Burlington, Iowa. "I was weak and pale, without any appetite and all run down. As I was about to give up, I got a bottle of Electric Bitters, and after taking it, I felt as well as I ever did in my life." Weak, sickly, run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by Tallman & Co. Price 50 cents.

Will Preserve Local History.

Bloomington, Ill., Jan. 27.—Members of the Illinois State Historical Society are gathered here for their fifth annual meeting, which opens this evening and continues throughout tomorrow and Friday. The programme for the opening session provides for an address of welcome by President George P. Davis, of the McLean County Historical Society, and the annual address by Hon. Charles P. Johnson, of St. Louis. Tomorrow E. A. Snively of Springfield, will speak on "Newspapers and Newspaper Men of Illinois," and Mrs. John A. Logan, of Washington, on "Illinois in the Councils of the Nation."
