Paris, Jan. 30,-Official inquiry concerning the missing transport, Vienne, reveals evidence tending to prove that the vessel was blown up at sea by an anarchist's bomb which wan placed in the magazine of the boat before it sailed in December for

Suspicion is fastened on the keep er of the magazine, who suddenly dis-appeared from the Vienne. There were 50 officers and men on board. Every effort is being made to locate the keeper.

PORTLAND FIRE LOSSES.

About \$85,000 Lost in School Building and Garfield Hotel Fires.

Portland, Jan. 30.—The total loss sustained by this city in the destruction of the Park street public schoo building and the Garfield hotel, amount to about \$85,000.

The school building was valued at \$65,000 and the hotel at \$20,000, with insurance amounting to \$22,000 the school and \$6,000 on the hotel. The fire in the Park street school was discovered first in the cupola, and there was no fire in the regular furnace at the time.

When the fire was first found it was under strong headway and the roof fell in soon after the department reached the scene.

The fire in the Garfield hotel was of incendiary origin, and was started in the woodshed in the back of the hotel. There were 66 guests in the to have come from an authoritative hotel at the time and many of them escaped with nothing but their night-
