TRADES COUNCIL

LAST NIGHT ELECTED NEW CORPS OFFICERS.

Trouble With Miller Grocery Company Referred to a Committee—Its Report Will Determine the Action Which the Council Will Take.

The Central Trades and Labor Council met last night in the Labor Union Hall, and at that time elected officers for the coming term.
 J. C. Tramplesure was elected president of the council, Ed Eben vice president, Win S. Brown recording secretary, N. G. Hodder financial secretary, C. L. McGinnis treasurer, and Clarence Roach sergeant at arms. The executive committee was named as C. L. McGinnis, Win Brown, N. G. Hodder and Charles Eppinger.

The matter of the controversy between the Miller Grocery company and the Clerks' Union was laid before the meeting last night and was by the council referred to the executive committee. This committee will call on the company sometime before the meeting this evening and attempt to come to some agreement with the proprietors of the store, and failing in this will lay their findings before the council, when some action will be taken. It is probable that the council will take some decided action in the matter, as the store has continued to violate the agreement regarding the early closing entered into some time ago with the Clerks' Union.

LECTURE ON BOOTH-TUCKER.

Colonel Mrs. Higgins of the Salvation Army at the Frazer Tonight.
 Colonel Mrs. Higgins, of the Salvation Army, in California, will deliver an illustrated lecture tonight, at the Frazer, on the life and work of Colonel Emma Booth-Tucker, who was killed in a train wreck on the Santa Fe near Topeka last October. The lecture will be accompanied by a musical program, and beautiful views of the life, work, and experiences of the dead leader.

Mrs. Higgins comes highly complimented by papers in Boise City, and other cities where she has delivered the lecture.
 The local corps of the Salvation Army has made every preparation for the reception of the noted lecturer and great interest has been shown by friends of the organization in the matter.

As people come to know and understand more of the great work carried on by this remarkable woman, her importance in the United States will be more thoroughly appreciated.

DEATH OF MRS. STEPHENS.

Passed Away Yesterday With Consumption in This City.
 May Stephens, the wife of Thaddeus Stephens, died yesterday morning at the home of her father-in-law, A. B. Stephens, of Garden street, between Huff and Tustin, after a lingering illness of consumption.
 Mrs. Stephens was 24 years of age at the time of her death, and has lived in this city for the greater part of her life, being the daughter of Samuel Thrasher, a well known ranchman of Butter Creek, who died in this city last year. She has been ill for a long time and for several months it was known that her condition was hopeless.
 The funeral was conducted this afternoon at 2 o'clock from the residence of A. B. Stephens, Rev. Robert Warner of the Methodist church, conducting the services.

 Those who are now on the board are H. N. Robinson, Dr. R. E. Ringo, H. F. Warner, Gerry Kimbrel, Fred Oster and P. M. Howard.

HATS OFF IN CHURCH.

Custom is Adopted by First Christian Church in this city.
 Following the agitation begun by this paper some weeks ago for the removal of the women's hats in church, the First Christian church has adopted this custom.
 On the wall just to the left of the pulpit is posted a neat modest placard, reading: "Ladies will please remove their hats." That is all that is necessary. At the opening of the service every hat comes off and there is no stretching of necks and tiptoeing in the seats to see the minister.
 It is the first notice of the kind ever posted in a Pendleton church and is regarded as a precious document by those who have grown taller by several inches, in reaching upward to see the man in the pulpit, over the waving plumes in front.
 If the women insist, this notice will be turned to the wall for just

one day each year—that will be on Easter Day, when the spring hat make its debut.

TWO BASKET BALL GAMES.

Pendleton High School and Weston Normal Teams Tomorrow Night.
 Two games of basket ball will be the program at assembly hall tomorrow evening.

The Pendleton high school team of boys, and the Weston Normal male team will play the first game to be played here this winter. Both teams are in fine practice and an interesting game is promised. The Pendleton boys expect to win the game, and while this is their first public game this winter, they have not been idle.

The Weston team also has had considerable practice and will come with hopes of carrying off the honors of the first game.

Following the game between the boys, will be a game between the first and second girls' teams of the high school, which will not be less scientific or interesting than the boys' game.

CHRISTIAN CHURCH REVIVAL.

Large Audience at Every Service—Special Topic Tonight.

The revival meetings at the Christian church under the direction of Dr. S. M. Martin, are still the most widely talked of services in the city. Yesterday afternoon the women's meeting drew 429 ladies to the church to listen to the talk by Dr. Martin, and the church was crowded in the evening to listen to the music and the sermon.
 Mr. Martin has been suffering from a severe cold for a couple of days and yesterday was quite sick, but today is better and will be able to meet with the people as usual this evening. The subject of the sermon this evening will be "Hell."

The Renown of Grocery Excellence

Is built on a tripod of Quality, Prices and service.

While we do not claim to sell all groceries, at all times at lower prices than any other store, we do claim and DO meet all honest competition.

It is a common practice to offer a few items at cost or less, as a "bait" to attract a customer, and then is the opportunity to overcharge on other goods. That practice has never been followed at this store. It is a common practice to sell groceries of inferior grade for goods of good quality under pretense they are worth more money. That is not done here. There are other kinds of unfair if not dishonest, kinds of competition we do not try to meet. But when it is a matter of reliable groceries, honest weight, good service and fair treatment all round,

Then we are right in the Fight.
