A. B. PARKER BOOM

EASTERN DEMOCRATS ARE
GROOMING THE NEW YORKER.

Movement is Sponsored by a Tam-
many Leader and Seconded by a
Multimillionaire — His Supporters
Have a Close and Effective Bu-
reau Organized With Plenty of
Money Behind it.

New York, Feb. 6. — A morning
paper announced that at a luncheon
to be given tomorrow at the home
of William F. Sheehan the boom for
Judge Alton B. Parker for the demo-
cratic nomination for the presiden-
cy will be launched in a formal man-
ner. In order that the luncheon
will not have the appearance of
politics about it many women will
be present, and among them will be
leaders of society. In just what
form the putting forward of Judge
Parker as the favored son of New
York for the presidential nomina-
tion will be done has not been
learned, but it is known that the
plan is to have it done in a manner
that will make it significant and
that cannot be misunderstood.

Following the luncheon at the
home of Mr. Sheehan a dinner for
Judge Parker will be held. At that
dinner leading New York demo-
crats, representing every faction of
the party, will be present. Judge
Parker's candidacy will there be
emphasized and it will be made
plain, if possible, that as a candi-
date he will have the support of the
business interests of the country.

These plans are a departure from
those contemplated a fortnight ago.
It was then thought well to start
the Parker boom with a big dinner
at the Metropolitan club, but that was
advised against by wise politicians,
who thought that such a move might
create a bad impression in some
quarters. It was then decided to
place Judge Parker fairly before
the country as a receptive candidate
in a manner that would make it pos-
sible to show that he is popular with
all classes.

Much work in a quiet way has
his most ardent supporters being
been done for Judge Parker, among
Mr. Sheehan and August Belmont.
First to be done, in the opinion of
those most practiced in the arts of
politics, was to convince the busi-
ness public that Judge Parker is a
safe man. It is said that to this
end his position on many subjects of
interest to the business world may
be explained at the dinner to be
given after the Sheehan luncheon,
at which Judge Parker and his wife
will be the principal figures.

There has been much discussion
as to whether in the event of the
nomination of Judge Parker by the
democratic national convention his
campaign should be directed by a
business man with no political af-
filiations of by a politician of the
old school, such as Gorman or
Smith. Some thought it would be
better to make a complete turn,
placing the management of the cam-
paign in the hands of some shrewd
man better known in Wall street
than elsewhere. Other counsel is
said to have prevailed, however,
with the result that it has already
been decided, so it is said, to make
a compromise, and, should Judge
Parker be his party's choice, his
campaign is to be directed by
August Belmont, who is closely con-
nected with most of the great cor-
porate interests and who is no novice
at the game of politics.

An Early Riser.

A strong, healthy, active consti-
tution depends largely on the con-
dition of the liver. The famous lit-

Early Risers not only cleanse the
system but they strengthen the ac-
tion of the liver and rebuild the tis-
sues supporting that organ. Little
Early Risers are easy to act, they
never gripe and yet they are abso-
lutely certain to produce results
that are satisfactory in all cases.

tunity to Guess on a \$100
Rubber Tired Buggy

We Will Give Away, Absolutely Free, a Cushion-Tire Buggy,
now on Exhibition in the Show Window of the A. Kunkel
& Co. Implement House, Two Doors South of the
East Oregonian Building.

The East Oregonian has purchased
from the A. Kunkel Implement Co.
a \$100 cushion tire buggy. It is a
beauty, strong, servicable and well
finished. For each year's subscription
to the Weekly at \$1.50 or for every
similar amount paid on the daily or
semi-weekly the subscriber is enti-
tled to one guess at an unknown num-
ber of three figures, that will be
placed in a sealed envelope. This is
not a drawing, lottery, or gift enter-
prise of any kind.

How to Participate

Each receipt for \$1.50 for the Daily,
Weekly or Semi-weekly East Oregonian,
to any address, the person to
whom the receipt is issued, will be
given an opportunity, absolutely with-
out cost, to have a guess at the un-
known number, and the person or
persons guessing nearest that number
will receive as a present and without
any compensation whatever, and
merely as an expression of good will
on the part of the East Oregonian
toward its subscribers, the \$100
cushion tired buggy advertised in
this paper and on exhibition at A.
Kunkel & Co's. Implement house two
doors south of the East Oregonian
building.

For each \$1.50 paid the holder of
the receipt will have an opportunity
of making one guess. For example
if you send \$1.50 for one year's sub-
scription the Weekly or \$2.00 for
one year's subscription to the Semi-
weekly you are entitled to one guess.
If you pay \$5.00 for one year's sub-
scription by mail to the Daily you
will get three guesses. If you pay
\$7.50 for one year's subscription to
the Daily delivered by carrier you
will get five guesses, or if you pay
\$3.75 for six months of the Daily by
carrier you are entitled to two guess-
es.

No commission is allowed to any
agent or collector for securing sub-
scribers under this offer, and the
person so subscribing does it with
the understanding that the East
Oregonian is accepted as payment in
full for the money paid.

Unknown Number — How Prepared.
Monday, January 18, the following
committee of business men met at
the office of the East Oregonian and
formed the unknown number that
will get the \$100 rubber-tired buggy.
The committee consisted of M. A.

Rader, the furniture man, E. T.
Wade, the real estate dealer, G. A.
Robbins, proprietor of the Owl Tea
House, Glenn Winslow the jeweler,
and A. Kunkel, the implement man.

Ten numbers from one to naught
were cut from a calendar. These
numbers were placed in 10 differ-
ent envelopes by the committee. The
10 envelopes were placed in a hat
and thoroughly shuffled and shaken.
Three members of the committee
then took out one envelope each,
which were marked one, two, three,
in the order in which they were
taken out.

These three envelopes were then
placed in a larger envelope and sealed
and a wax seal placed on the flap
and delivered to the chairman of the
committee, M. A. Rader, to keep un-
til the day the buggy will be drawn.
The remaining seven envelopes con-
taining the other numbers were then
burned in the presence of the com-
mittee, thus insuring an absolutely
unknown number.

Each and every one of the commit-
tee was thoroughly satisfied with
the absolute fairness of the method
of selecting the unknown number,
and signed the following statement:
"We, the undersigned, were pres-
ent at the East Oregonian office Mon-
day afternoon, January the 18th, and
assisted in forming the unknown
number according to the plan pub-
lished, to be used in the East Ore-
gonian guessing contest.

"Under the rules of forming the
number, it is impossible for anyone,
not even the members of this com-
mittee, the publishers of the East
Oregonian, or anyone else to know
what the number is."
(Signed.)

E. T. WADE,
A. KUNKEL,
M. A. RADER,
GLENN WINSLOW,
G. A. ROBBINS.

Upon the day when the envelope
is to be opened and the buggy award-
ed to the person guessing nearest to
the number, the numbers will be as-
sembled in the order in which the
envelopes are marked. It may be as
low a number as 012 or as high as
987. As a matter of course, it must
be three different figures, as no fig-
ure was used twice. Somebody will
get a splendid \$100 present when the
\$75 receipts have been given out.
The unknown numbers will be

formed by putting together the three
numbers in the order as marked, one,
two, three, on the envelopes on which
they are contained. The unknown
number will not be assembled until
the guessing contest is completed,
hence no one will know what it is to
be until it is publicly announced to
subscribers.

Limited Competition.

The number of receipts issued in
this contest will be limited to the
number of guesses possible in the
range of the numbers between 012
and 987, as the unknown number
must be composed of a figure within
those limits. The unknown number
cannot be less than 012 nor more than
987.

To be a perfectly fair and legiti-
mate guessing contest the number to
be guessed at must be and remain
absolutely unknown. There must be
no chance for the East Oregonian,
the committee, or any subscriber to
know the number and this plan will
insure that result.

The receipts for this guessing con-
test will be numbered in duplicate,
but the stub will be only for the pur-
pose of identifying the subscriber
who is the successful guesser—each
subscriber writing the guess number
on the back of his receipt—each one
making his or her own guess at the
unknown number. As soon as the re-
ceipts are all sold the guessing con-
test will be over and the nearest num-
ber awarded the buggy.

How the Guesses are Made.

On securing a receipt for \$1.50 the
person wishing to guess will write
his guess on the back of the receipt
in ink or indelible pencil, writing only
one guess on each receipt, and de-
positing the same in the sealed ballot
box provided at the East Oregonian
office for that purpose. Subscribers
out of town will be allowed to make
their guess in the same manner, and
send the same in a sealed envelope
plainly marked "East Oregonian
Guessing Contest," and they will be
deposited in the box. The seals on
the box will not be broken until all
the receipts in the guessing contest
are sold—\$75 receipts in all.

Subscribers can now get their
guessing coupons. Subscribers by
mail can send in their money and
with this receipt a guessing coupon
will be mailed to them. Old sub-
scribers are entitled to guesses on
renewals as well as new subscribers.
