Northern Pacific Railway and Weyerhaeuser Timber Company Ask Bureau of Forestry to Formulate Plans for Preserving Immense Timber Areas in the Northwest—Shows Increasing Interest in Forest Preservation.

Frederick Weyerhaeuser, president of the Weyerhaeuser Timber company of St. Paul, has signed an agreement with the Bureau of Forestry by which the bureau agrees to prepare working plans for the conservative management of about 1,300,000 acres of the company's timber lands in Washington.

The Northern Pacific Railway company has also requested that the Bureau of Forestry prepare working plans for its enormous timber land holdings in Washington and Idaho. The timber lands of the Weyerhaeuser and the Northern Pacific companies are the most extensive privately owned tracts of land for which the Bureau of Forestry has ever been asked to prepare working plans. The field work will begin next summer. How long it will continue before figures enough are secured on which to base plans intelligently it is impossible at present to state.

MUNICIPAL AFFAIRS.

Annual Michigan Convention Discusses Them.

Ann Arbor, Mich., Feb. 12.—Today's sessions of the annual convention of the League of Michigan Municipalities were transferred to Tappan Hall of the University of Michigan and at the opening this morning the members were greeted by President James B. Angell of the university. Papers covering a wide range of subjects were presented during the day. Among the number were the following:

"Municipal Home Rule: City Charters Framed by Municipal Conventions." D. F. Wilcox, secretary of the Grand Rapids Civic club; "The Ohio Municipal Code." U. G. Denman, Toledo, Ohio; "The Enforcement of the Criminal Laws of the States in Cities and Villages." Judge Claude B. Grant of the Michigan supreme court; "Uniform Municipal Accounting." C. C. Brown, Indianapolis; "The Work of the Wisconsin League of Municipalities." Prof. S. Spurling, Madison, Wis.

LINCOLN DAY.

Observed Appropriately at Seattle and Springfield.

Seattle, Wash., Feb. 12.—Prominent republicans of the state of Washington have rounded up in Seattle in anticipation of the Lincoln banquet to be given tonight under the auspices of the Young Men's Republican club. Elaborate arrangements have been concluded and the affair promises to be one of the most notable of its kind in the political history of the state.

PENNSYLVANIA FLOOD.

Springfield, Ill., Feb. 12.—The home city and last resting place of Abraham Lincoln observed the 95th anniversary of his birth today by the closing of public offices and the holding of memorial exercises under the auspices of the various veteran organizations and other patriotic societies. The Lincoln tomb was decorated with flags and floral tributes, a number of the latter coming from distant parts of the country.

IMMINENT DANGER OF TOWNS BEING OVERWHELMED.

Wilkesbarre, Pa., Feb. 12.—The flood situation continues to cause great suffering. Many families are being removed from house tops today. The great ice gorge at Blooms-

burg is still intact. The water is 27 feet above normal and steadily backing up, rendering hundreds of families homeless.

The situation is increasing in danger hourly. Government and county officials have sent warnings to residents from Sunbury to Hapsburg to seek higher ground, as when the big gorge breaks Bloomsburg will be Johnstown on a smaller scale. The cold weather adds misery to the homeless.

Missouri Republican League.

Kansas City, Mo., Feb. 12.—The fifth annual convention of the Young Republicans of Missouri is in session in Kansas City today with a good attendance from nearly all parts of the state. At the annual league banquet to be given at the Madison hotel tonight the speakers will include Charles Nagle of St. Louis, Oscar E. Myerslock of Union, Isaac B. Kimbrell of Kansas City, Robert S. Myer of St. Joseph, John A. Snider of Jackson and Charles D. Morris of Trenton.

Brotherhood of St. Andrew.

New Haven, Conn., Feb. 12.—More than 100 delegates and visitors are here for the sixteenth annual convention of the New England assembly of the Brotherhood of St. Andrew. The gathering will be formally opened this evening with a reception to the visitors at Christ church parish house. A business meeting will be held tomorrow and on Sunday a number of distinguished divines among the visitors will occupy the pulpits of the local churches.

Carl Reesland, a laborer, in trying to board a moving Northern Pacific train at Butte, caught on to the rear end of the last car and finding the vestibule closed, hung on the outside as long as he could. Becoming numb by the intense cold, he finally released his hold and fell to the ground, while the train was moving 60 miles an hour. He was frightfully bruised and one shoulder blade was broken, but he will live.

EAST OREGONIAN UNKNOWN NUMBER GUESSING CONTEST

Every Subscriber to Have an Opportunity to Guess on a \$100 Rubber Tired Buggy

We Will Give Away, Absolutely Free, a Cushion-Tire Buggy now on Exhibition in the Show Window of the A. Kunkel & Co. Implement House, Two Doors South of the East Oregonian Building.

The East Oregonian has purchased from the A. Kunkel Implement Co. a \$100 cushion tire buggy. It is a beauty, strong, servicable and well finished. For each year's subscription to the Weekly at \$1.50 or for every similar amount paid on the daily or semi-weekly the subscriber is entitled to one guess at an unknown number of three figures, that will be placed in a sealed envelope. This is not a drawing, lottery, or gift enterprise of any kind.

How to Participate
Each receipt for \$1.50 for the Daily, Weekly or Semi-weekly East Oregonian, to any address, the person to whom the receipt is issued, will be given an opportunity, absolutely without cost, to have a guess at the unknown number, and the person or persons guessing nearest that number will receive as a present and without any compensation whatever, and merely as an expression of good will on the part of the East Oregonian toward its subscribers, the \$100 cushion tired buggy advertised in this paper and on exhibition at A. Kunkel & Co's. Implement house two doors south of the East Oregonian building.

For each \$1.50 paid the holder of the receipt will have an opportunity of making one guess. For example if you send \$1.50 for one year's subscription the Weekly or \$2.00 for one year's subscription to the Semi-weekly you are entitled to one guess. If you pay \$5.00 for one year's subscription by mail to the Daily you will get three guesses. If you pay \$7.50 for one year's subscription to the Daily delivered by carrier you will get five guesses, or if you pay \$3.75 for six months of the Daily by carrier you are entitled to two guesses.

No commission is allowed to any agent or solicitor for securing subscribers under this offer, and the person so subscribing does it with the understanding that the East Oregonian is accepted as payment in full for the money paid.

Unknown Number — How Prepared. Monday, January 18, the following committee of business men met at the office of "The East Oregonian" and formed the unknown number that will get the \$100 rubber-tired buggy. The committee consisted of M. A.

Rader, the furniture man, E. T. Wade, the real estate dealer, G. A. Robbins, proprietor of the Owl Tea House, Glenn Winslow the jeweler, and A. Kunkel, the implement man.

Ten numbers from one to naught were cut from a calendar. These numbers were sealed up in 10 different envelopes by the committee. The 10 envelopes were placed in a hat and thoroughly shuffled and shaken. Three members of the committee then took out one envelope each, which were marked one, two, three. In the order in which they were taken out.

These three envelopes were then placed in a larger envelope and sealed and a wax seal placed on the flap and delivered to the chairman of the committee, M. A. Rader, to keep until the day the buggy will be drawn. The remaining seven envelopes containing the other numbers were then burned in the presence of the committee, thus insuring an absolutely unknown number.

Each and every one of the committee was thoroughly satisfied with the absolute fairness of the method of selecting the unknown number, and signed the following statement:

"We, the undersigned, were present at the East Oregonian office Monday afternoon, January the 18th, and assisted in forming the unknown number according to the plan published, to be used in the East Oregonian guessing contest.

"Under the rules of forming the number, it is impossible for anyone, not even the members of this committee, the publishers of the East Oregonian, or anyone else to know what the number is.

(Signed.)
E. T. WADE,
A. KUNKEL,
M. A. RADER,
GLENN WINSLOW,
G. A. ROBBINS."

Upon the day when the envelope is to be opened and the buggy awarded to the person guessing nearest to the number, the numbers will be assembled in the order in which the envelopes are marked. It may be as low a number as 012 or as high as 987. As a matter of course, it must be three different figures, as no figure was used twice. Somebody will get a splendid \$100 present when the 975 receipts have been given out. The unknown number will be

formed by putting together the numbers in the order as marked, two, three, on the envelopes on which they are contained. The unknown number will not be assembled until the guessing contest is complete, hence no one will know what it is until it is publicly announced to subscribers.

Limited Competition.
The number of receipts issued this contest will be limited to a number of guesses possible in range of the numbers between 0 and 987, as the unknown number must be composed of a figure within those limits. The unknown number cannot be less than 012 nor more than 987.

To be a perfectly fair and accurate guess, the number must be guessed at must be and must be absolutely unknown. There must be no chance for the East Oregonian committee, or any subscriber, to know the number and this plan insures that result.

The receipts for this guessing contest will be numbered in duplicate but the stub will be only for the purpose of identifying the subscriber who is the successful guesser. Each subscriber writing the guess must do so on the back of his receipt—each on making his or her own guess at the unknown number. As soon as the receipts are all sold the guessing contest will be over and the nearest guesser awarded the buggy.

How the Guesses are Made.
On securing a receipt for \$1.50 the person wishing to guess will write his guess on the back of the receipt in ink or indelible pencil, writing one guess on each receipt, and depositing the same in the sealed box provided at the East Oregonian office for that purpose. Subscribers out of town will be allowed to mail their guess in the same manner, and send the same in a sealed envelope plainly marked "East Oregonian Guessing Contest," and they will be deposited in the box. The sealed receipts in the guessing contest are sold—975 receipts in all. Subscribers can now get their guessing coupons. Subscribers by mail can send in their money with their receipt a guessing coupon will be mailed to them. Old subscribers are entitled to guessing renewals as well as new subscribers.
