**"THE ROSEMARY" COMING.**  
Howard Kyle Will Present This Beautiful Attraction at the Frazer February 25.  
Howard Kyle, the favorite actor who presented "Nathan Hale" at the Frazer some time ago, will appear again in this city on Thursday, February 25, in "The Rosemary."  
It is needless to say aught in commendation of his ability, as he made a hit as Nathan Hale and will be welcomed back again. He is accompanied by a strong company, and the press of the East is liberal in its commendation of the company and this new production on its repertoire.

**Modest Umatilla County.**  
Sam Caplinger has been digging seven-pound carrots and 13-pound turnips, the latter being 28½ inches in girth, at his foothill farm east of Weston. These hefty tubers were simply planted and left to grow, like the famous turnip behind the barn. Not a hoe was stuck in the soil, not a weed molested. Mr. Caplinger thinks there is little need to hunt for irrigated sagebrush land when the foothills will produce thusly without irrigation.—Weston Leader.

**Debate Tomorrow Night.**  
The freshmen and sophomores of the Pendleton high school will engage in a debate at assembly hall tomorrow night, the question being, "Resolved, That arbitration is a better method of settling international difficulties than war." The sophomores will defend the arbitration side and the freshmen the side of war. The sophomores who will take part are Glenn Scott, Furnish Slater and Frank Pierce. The freshmen are Dave Hill, Orville Reeves and Walter Cresswell.

Jane W. Davison and William Davison have sold to W. R. Parker for \$2,300, the old Stanfield Mill property, a short distance this side of Umatilla. The place contains about six acres and is a very valuable piece of property. In the early days a gristmill stood on the land, but that has been taken down and the place is now used as garden land.

**Taxes Being Paid.**  
The tax list was placed in the hands of the sheriff today for collection and a large number of people took advantage of the fact to pay their taxes.

## SPEAKING AT COURTHOUSE.

Noted Evangelist Will Expound the Scriptures on Monday Night.

Please say to your readers that I expect to speak in the courthouse in Pendleton on Monday night, February 22, at 7:30.

I shall teach that Jesus never commanded water baptism, and that all these denominations called churches are of man's invention and have no scriptural warrant.

I challenge all preachers to meet me with open Bible. Let truth and error meet in open field. Either put up or shut up.

There will be no collections taken and no begging for money. No funny stories and no deathbed scenes.  
TILFORD BOLING,  
Traveling Evangelist.

**Nearly Forfeits His Life.**  
A runaway almost ending fatally, started a horrible ulcer on the leg of J. B. Orner, Franklin Grove, Ill.

For four years it defied all doctors and all remedies. But Bucklen's Arnica Salve had to trouble to cure him. Equally good for Burns, Bruises, Skin Eruptions and Piles. 25c at Tallman & Co.'s Drug Store.

It doesn't take an artist to draw beer; that is the work of a professor.
