

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

CITY HALL FOR LA GRANDE.

Council Passed Ordinance Authorizing Vote on a \$25,000 Building.

La Grande, Feb. 22.-At a meeting of the La Grande council held Saturday evening, the most important question brought up was the passage of the bonding ordinance, that of bonding the city in the sum of \$25,000 for the erection of a city hall in this city.

The ordinance was read a third time and passed by a unanimous vote of the councilmen present. This question will be submitted to the voters at the regular election, and it will doubtless meet the approval of all.

La Grande is greatly in need of a city hall. The city's population is growing very rapidly, new buildings continually going up, and is improving in every way, making a city hall almost a necessity.

Gout Must Go.

Medical Lake Salts Mfg. Co., Spokane, Wash. Gentlemen-For two or three years I was troubled with the sciatic and rheumatic gout. Was frequently confined to my room with the disease, and suffered intensely during these attacks. I went to Medical Lake on July 10, remaining about 10 days, taking baths for relief, and came home completely cured. In such cases I certainly think Medical Lake is the best place to go for treatment and cure. JOHN CONDRON.

Deafness Can Not Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. APPEARING OLD

Acts as a Bar to Profitable Employment.

You cannot afford to grow old. In these days of strenuous competition it is necessary to maintain, as long as possible, one's youthful appearance. It is impossible to do this without retaining a luxurious growth of hair. The presence of Dandruff indicates the presence of a burrowing germ which lives and thrives on the roots of the hair until it causes total baldness. Newbro's Herpicide is the only known destroyer of this pest, and it is as effective as it is delightful to use. Herpicide makes an elegant hair dressing as well as Dandruff cure. Accept no substitute-there is none. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich. F. W. Schmidt, special agent.
