WHEAT TAKES DROP

FARMERS REFUSE 70 CENTS AND NOW IT IS 69 CENTS.

Growers Offer 40,000 Bushels at 71, But Buyers Turn Down the Figure—Market May Be Dull for Some Time—Eastern Quotations Are 6 Cents Lower Than They Were Saturday—Will Wait for Higher Prices.

Wheat today is a dull thing, with the market at 69 cents and nothing being bought. The mills are the only ones in the field and as they are pretty well stocked it is not probable that much wheat will be moved for several days unless conditions change.

On Saturday afternoon the Byers mill bought 15,000 bushels at 70 cents and had 40,000 bushels offered to it at 71 cents, which was refused.

The farmers were somewhat in the race on Saturday afternoon with a pool of 40,000, which they wanted to sell at 71 cents, but the figure was turned down. The exporters thought for a time that they would be able to handle a large shipment to sell at that figure and after making the rounds of the grain offices and the mill gave up the effort for a time and will wait for higher prices. They are of the opinion that the exporters should pay them 71 cents or more. Now they will ask for

a still higher price though today the buyers would not give the figure of Saturday for the reason that the Eastern market has fallen something like 6 cents below the quotation of Saturday.

MASONIC MEETING

OFFICIAL VISIT OF GRAND OFFICERS TO PENDLETON.

Grand Master S. M. Yoran, Grand Senior Warden W. H. Flanagan and Grand Junior Warden Dr. W. T. Williamson Meet With Pendleton Brethren on Saturday Evening—Very Entertaining and Profitable Session—Able Address by Grand Master.

May Freedom, Harmony and Love Unite you in the Grand Design; Beneath the Omniscient eye above—The Glorious Architect Divine—That you may keep th' unerring line, Still rising by the Plumbet's Law, Till order, bright, completely shine—Shall be my prayer when far awa'—Robert Burns.

One of the most enjoyable events in the history of Pendleton Lodge No. 52, A. F. & A. M., was the occasion of the visit of the grand master and wardens last Saturday night.

A special meeting had been called and the visiting officers were greeted with a large attendance. The spacious lodge room was filled with Pendleton Masons and visiting brethren and the grand officers were made to feel that the brotherly spirit in the world's oldest fraternity is ever deepening and kindling and that Pendleton possesses Masonic interest in an extraordinary degree.

Worshipful Master T. W. Ayers, after calling the lodge to order, invited Grand Master S. M. Yoran to preside for the evening. Upon taking the chair the grand master delivered a stirring and masterly address of 20 minutes' duration, pronounced by old members present to be the most lucid and searching exposition of the principles of Masonry to which they had ever listened.

The grand master is a fluent and entertaining speaker and his address marks an epoch in the history of Pendleton lodge. The compliments offered the speaker at the close of his remarks were profuse and heartfelt.

Grand Senior Warden W. H. Flanagan of Grants Pass followed the address of Grand Master Yoran, in an entertaining talk on the wide dispersion of Masonry over the earth and recalled the fact that it was impossible to find any civilized community today, in which the active principles of Masonic charity were not work in the interest of humankind.

Grand Junior Warden Dr. W. T. Williamson, now of Portland, but formerly of Weston, this county, followed Mr. Flanagan in a few well chosen remarks, after which Judge S. A. Lowell, County Clerk W. D. Chamberlain, W. D. Hansford and R. Alexander made brief addresses, all expressing the hearty appreciation of Pendleton lodge for the kind words and able addresses of the grand officers.

After the speechmaking was concluded, a delicious lunch was served and an hour spent in story telling and anecdotes. About 80 members and visitors were present and it was one of the most profitable sessions ever held by Pendleton lodge. The grand officers left Sunday for the West expecting to visit Arlington and Heppner before returning to their homes.

Dr. Williamson Well Known Here.

Dr. W. T. Williamson, of Portland, who has been in the city for a couple of days visiting the Masons, is a former resident of Weston. He located there many years ago, where he soon became one of the leading physicians of the county. He received the appointment as assistant superintendent of the asylum in the fall of 1886 under the administration of Governor Z. F. Moody, the superintendent of the institution at the time being Dr. Joseph, now of Portland.

Dr. Williamson has served at the asylum continuously since that time through republican and democratic administrations alike, up to a short time ago, when he resigned to take charge of the Mount Tabor Sanitarium, which is conducted by him as a private hospital for the treatment of nervous diseases.

Dr. Williamson has a reputation of more than national extent among the medical fraternity as a specialist in nervous diseases and mental trouble and the state hospital lost a valuable man from its staff when he left. He now has as an annex to his sanitarium at Mount Tabor, one ward where he has all of the Alaska insane patients which were formerly in the asylum at Salem, but had to be moved for lack of room to keep them.

Prominent Officers Go West.

Grand Master S. M. Yoran, of Eugene, Senior Warden W. H. Flanagan, of Grant's Pass, and Junior Warden W. T. Williamson, of Portland, left this morning for Arlington, where they will pay an official visit to the Masonic lodge. The gentlemen have been in the city for the past two days the guests of the Masons here, and when this morning they asked the amount of their bill at the Pendleton, they were informed that Williamette valley money was not current in this part of the state and that rather than take it the hotel would stand the bill. All being loyal to the land of their residence, the visitors were saddened by the news, but will try to pass the bad money when they reach Arlington, hoping that place is nearer home and most any kind of money therefore acceptable.

Current Literature Club. Through an oversight, the notice of the last meeting of the Current Literature Club was left out of the

club notes in Saturday's issue. Mrs. W. J. Furnish entertained the members of the Current Literature Club Friday afternoon. There was a full attendance. The subjects discussed were the "Conditions of the Nations Just Prior to Reformation" and the "Progress in the Maritime Discoveries and Inventions." Select readings, music and conversation helped to pass a delightful afternoon. Refreshments were served.
