

A prominent club woman, Mrs. Danforth, of St. Joseph, Mich., tells how she was cured of falling of the womb and its accompanying pains and misery by Lydia E. Pinkham's Vegetable Compound.

DEAR MRS. PINKHAM:—Life looks dark indeed when a woman feels that her strength is fading away and she has no hopes of ever being restored. Such was my feeling a few months ago when I was advised that my poor health was caused by prolapsus or falling of the womb. The words sounded like a knell to me, I felt that my sun had set; but Lydia E. Pinkham's Vegetable Compound came to me as an elixir of life; it restored the lost forces and built me up until my good health returned to me. For four months I took the medicine daily, and each dose added health and strength. I am so thankful for the help I obtained through its use. —Mrs. FLORENCE DANFORTH, 1007 Miles Ave., St. Joseph, Mich. —\$5000 forfeit if original of above letter proving genuineness cannot be produced.

Bright's Disease and Diabetes News.

San Francisco, Oct. 16, 1903. W. Schmidt's Pharmacy: Dear Sir—The discovery in this city of a new diuretic is saving thousands of lives. It is hard for people to believe who are not eye witnesses. You as a brother druggist will know that up to this time chronic Bright's Disease and Diabetes have been necessarily fatal. It is no longer. And now only know this by being on the ground, but I was also one of the patients. I had both Bright's Disease and Diabetes and looked upon death as inevitable. I was so prejudiced I wouldn't believe it. So they were it to me to prove it. I not only recovered, but have since given it to wherever near fifty patients and now of only three or four failures. I am a pioneer druggist of this city, I have been doing business on my own basis for forty-eight years, and I declare to you on my honor as a pharmacist the absolute curability of these dread diseases in about ninety per cent of all cases. I understand business men who are placing it before the world, have appointed you to represent them in your city, and I beg to tell you that there are lives to be saved and friends to be made. Yours sincerely, CARL D. ZEBLE.

We send for the Fulton Compounds which the above refers and now have them in stock. They are the first cures the world has ever seen for chronic Bright's Disease and Diabetes. Free pamphlet. F. W. Schmidt's Pharmacy.

THE SMOOT INQUIRY

MORMON SENATOR UNDER THE GLARE OF PUBLICITY.

If Mormon Apostles Are Called by Smoot, Efforts Will Be Made to Prove the Seven Out of Twelve of Them Are Living in Polygamy Today — Sensational Developments Are Expected.

Washington, D. C., March 1.—During the next week or so the objective point of public interest promises to be shifted, in a large measure at least, from the warfare in the Far East to the Smoot inquiry before the senate committee on elections and privileges. The date set for the opening of the case has arrived and it is understood the investigation will proceed without delay.

All kinds of stories are afloat as to the scope of the investigation and its probable results. It is said to be the intention of the organization which has been formed to oppose the seating of Senator Smoot to summon the head of the Mormon church and each of the 12 apostles, including the senator. Whether this is true or not, it is certain that the investigation will be made to take the form of an indictment against the entire Mormon people, the purpose of the anti-Smoot forces being to focus public attention on the conditions alleged to exist in Utah at the present time.

Several photographs have been secured in which President Smith, the head of the Mormon church has been pictured with a wife, and the photographs, it is alleged, show that they are different women. One of them is a photograph taken at St. Louis during a world's fair celebration, which shows Reed Smoot immediately behind the president of the church and his wife.

If the Mormon apostles are called to the stand an effort will be made, it is said, to prove that no less than seven of the 12 have contracted polygamous marriages, and the contention is made that it can be proved that since Utah has been admitted as a state and the manifesto declaring there would be no more plural marriages solemnized a new wife has been sealed to one of the 12 apostles.

Attorneys for Smoot allege that they will be able to controvert any testimony which may be offered to show that any new wives have been sealed to any Mormon since the admission of the territory as a state. Senator Smoot will swear that he has only one wife, and the apostles who are blessed with several are expected to take the oath that they have lived with only one in recent years, but have separately supported the others as dependents, under the solemn vow taken when the plural wives were sealed to them.

Do You Want Strength? If you want to increase your strength you must add to not take from the physical. In other words, the food that you eat must be digested, assimilated and appropriated by the nerves, blood and tissues before being expelled from the intestines. THE NEW "DES MOINES."

Splendid New Vessel of the United States Navy Now in Service at Charlestown Navy Yard—Cruiser of 3,500 Tons Displacement, 308 Feet Long—Commander Alexander McCracken.

Boston, Mass., March 1.—The new United States sloop-of-war Des Moines was placed in commission today at the Charlestown navy yard, the occasion being attended by the usual ceremonies. Rear Admiral Mortimer L. Johnson, commandant of the navy yard, formally turned over the vessel to Commander Alexander McCracken, U. S. N., who is to be her first commander.

Officers and crew were mustered on deck and a salute was fired as the Stars and Stripes were hauled up to the masthead. The cruiser Des Moines was constructed at the yards of the Fore River Ship and Engine Company of Quincy, Mass. She is similar in design to the Cleveland, the Tacoma, the Chattanooga and the Galveston. Her length over all is 308 feet 9 inches and her full load displacement is 3,500 tons.

In the construction of the Des Moines and her sister ships corn pith with an estimated capacity of 6,720 cubic feet has been used as an obliterating material for the water line protection, so that if the hull should be pierced by a shot the swelling of the corn pith placed between the outer and inner plates will prevent the ingress of water.

GONE TO JERUSALEM.

Boise Woman Starts to World's Sunday School Meeting.

Mrs. A. J. Swain of this city will leave this afternoon for the East and will participate in an excursion of about 800 Sunday school workers of this country to Palestine during the coming spring and summer. Mrs. Swain expects to be absent from the city about four or five months, and possibly longer, says the Boise Statesman.

The occasion of the excursion is the meeting of the World's Sunday School convention, which is to be held in the city of Jerusalem on April 18, 19 and 20.

About 800 delegates from all portions of this country and representing all creeds and denominations will make the trip together. Mrs. Swain will be the only delegate from the state of Idaho. The start will be made from New York city on Tuesday afternoon, March 8, in the steamer Grosser Kurfurst of the North German Lloyd line, which has been specially chartered for the trip.

KICK AND SCREAM

Baby's Awful Suffering from Eczema.

Could Not Hold Her. She Tore Her Face and Arms.

Cuticura Saved Her Life, So Mother Says.

"When my little girl was six months old, she had eczema. We had used cold creams and all kinds of remedies, but nothing did her any good, in fact, she kept getting worse. I used to wrap her hands up, and when I would dress her, I had to put her on the table for I could not hold her. She would kick and scream, and when she could, she would tear her face and arms almost to pieces. I used four boxes of Cuticura Ointment, two cakes of Cuticura Soap, and gave her the Cuticura Resolvent, and she was cured, and I see no traces of the humor left. I can truthfully say that they have saved her life, and any one suffering as she did, I should advise them to give Cuticura a fair trial." MRS. G. A. CONRAD, Lebanon, N. H., Feb. 7, 1898.

Five years later, viz., Feb. 23, 1903, Mrs. Conrad writes:

"It is with pleasure that I can inform you that the cure has been permanent as it is now six years since she was cured, and there has been no return of the disease since, and I have advised a lot of friends to use the Cuticura Remedies in all diseases of the skin. Instant relief and refreshing sleep for skin-tortured babies, and rest for tired, fretted mothers, in warm baths with Cuticura Soap and gentle anointings with Cuticura Ointment, the great skin cure and purest of emollients, to be followed in severe cases by mild doses of Cuticura Resolvent. This is the purest, sweetest, most speedy, permanent and economical treatment for torturing, disgusting, itching, burning, bleeding, scaly, crusted and pimply skin and scalp humors, eczema, rashes and irritations.

Add throughout the world, Cuticura Resolvent, 50c. Sold by all druggists. Sold by the U. S. Dispensary, 219 N. 2nd St., Philadelphia, Pa.; by the U. S. Dispensary, 100 N. 2nd St., New York, N. World's Fair Stock Dividend. Chicago, Ill., March 1.—People who helped to make successful the great Chicago exposition of 1893 by buying stock in the World's Fair Company, today received checks for amounts representing a final dividend of 4.65 per cent on their holdings. Altogether the stockholders have received 14.65 per cent of their investment, or \$1.46 1/2 on every \$10 invested. The payment of the final dividend practically closes up the business of the company which financed the great exposition.
