

GROWING LENGTHWISE

You want the children to grow, but not all lengthwise. When they start that way Scott's Emulsion will help them to grow right—with due plumpness and outward proportion, and with inward vigor and good spirits.

The Emulsion increases digestive power and strengthens the vital organs to get the best and make the most out of all the other food. It gives a kind of help that every growing child ought to have.

ALBA NEWS NOTES

NEARLY TWO FEET OF SNOW IN THE FIELDS.

School Closed in Districts 78 and 79—District 79 Lyceum Has Adjourned Till Next December—Feed is Scarce, and Stockmen Are Rustling for Feed and Green Spots—Yellow Jacket Road is Open to Aravel.

Alba, March 7.—The weather is mild, although it has been raining or snowing nearly every day for the past two weeks, and in the fields there is nearly two feet of snow here yet.

Owing to the shortness of feed stock is beginning to move in all directions.

Tom Gilliland has driven his cattle, over 100 head, from his ranch near Pilot Rock to his ranch near Ukiah, where he has an abundance of hay reserved in order to contend with a backward spring.

The Mossie brothers have moved their cattle from here to the John Leuvers place near the Rock, where they have bought hay of the Rugg Bros. at \$6 per ton.

Dan Combs has driven his cattle from the straw stacks near Athena to his ranch here, where he has hay to carry him to grass.

Buck Welch passed through here yesterday with a band of horses consigned to the brecks of the John Day, to rustle for a living around the rimrocks.

The lyceum in district 79 closed Wednesday night for the season. The question debated was: "Resolved, That the president should be elected by popular vote." It was decided in favor of the affirmative.

After the debate there was a lengthy program and numerous old plays, such as retelling the donkey and catching Ruth and Jacob, closing with a basket supper. The lyceum will again take up business the first Wednesday in December.

J. C. Clemmer has returned to Pendleton. Mr. Clemmer is a member of the Dixie ranch, and has sold a large quantity of hay and farm machinery of all descriptions in connection with the Wade estate. The ranch would make one of the best dairy farms in the West.

Miss May Rippey has closed her school in District 78 and is visiting relatives at Ukiah.

Yellow Jacket road has been open for travel all winter, but out of the track snow is three feet deep.

PROSPECTIVE CANDIDATES.

Spectator Ventures a Guess at the Personnel of the Ticket.

More Riots.

Disturbances of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse, unless a reliable remedy is immediately employed. There's nothing so efficient to cure disorders of the liver and kidneys as Electric Bitters. It's a wonderful tonic, and effective nerve and the greatest all around medicine for run-down systems. It dispels nervousness, rheumatism and neuralgia and expels malaria germs. Only 50c, and satisfaction guaranteed by Tallman & Co., druggists.

Notice to Contractors.

Sealed proposals will be received at the office of T. F. Howard, architect, room 17 Judd building, up to ten o'clock, March 10th, 1904, for the erection and completion of a two-story frame cottage, with stone basement for William P. Sturgis, according to plans and specifications now on file in the office of the architect. The right is reserved to reject any and all bids for the work.
February 25, 1904.

Colds Cause Pneumonia.

One of the most remarkable cases of cold, deep-seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by Tallman & Co.

Ward and Wade.

The coming engagement of Ward and Wade's big minstrel organization will be hailed with delight by lovers of minstrelsy. This company is one of the strongest now touring the United States and will doubtless have a packed business. At the Frazer Thursday, March 10.

TO CURE A COLD IN ONE DAY.
Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature on each box. 25c.

In April 1900 thoroughbred Merino bucks, valued at \$650 each, will be shipped from British Columbia to Australia.

MEN ARE POWERLESS

To Fight Against Disease Unless They Strike at the Underlying Cause.

To treat Dandruff, and Falling Hair, with irritants or oils on which a parasitic germ will prosper, is like scooping water from the ocean to prevent the tide from rising.

You cannot accomplish a satisfactory cure without having a right understanding of the fundamental causes of the trouble.

You must kill the Dandruff Germ. Newbro's Herpicide does this because it is specially made to do that very thing. When the germ is removed, the hair has no choice but to resume healthy growth and beauty.

"Destroy the cause, you remove the effect."
Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

F. W. Schmidt, special agent.
