

Thousands Have Kidney Trouble and Never Suspect it.

How To Find Out.
Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What To Do.
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, finds every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

MURRAY AND MACK.

Popular Comedy Company Coming to the Frazier.

Among the star attractions that will come to the Frazier this season, is that ever popular team, Murray and Mack, in the latest edition of the musical comedy "A Night on Broadway." Murray and Mack are nothing if not up-to-date, and from all accounts, they have surpassed themselves this season, both in their individual work and in the company surrounding them. They have the advantage of an unusually good play, suited exactly to their style of hilarious humor, and they do not let any of the opportunities of the farce escape them. The cast is unusually strong. Elaborate and massive scenic sets, mechanical and electrical effects are carried intact for each act, which promises a musical attraction out of the ordinary. At the Frazier March 15.

Georgia Minstrels.

The towns and cities visited last season by Richards & Pringle's famous Georgia minstrels, were surprised at the superior entertainment given by this organization. The press and public were quick to show their appreciation, and the managers of the company showed good business judgment when they renewed the contracts with such people as Dudley, the Lone Star comedian, known better as "Jim Jackson," Kration, the marvelous hoop controller, Dudley & Kelley, Simpson & Pittman, Campbell Bros., and the ever popular Clarence Powell. Among the new faces is Emmett Davis, the Texas comedian; Cooper, the ventriloquist; the Great "Boomsky," the three Toney, acrobats, and the greatest collection of singers ever with a minstrel show. They will be at the Frazier March 23d.

Ward and Wade.

The New Orleans Picayune says of the Ward and Wade minstrel company: "Ward and Wade opened their annual engagement here last night with an overflowing business. There was not room in the house for the crowd and many were turned away. Ward and Wade enjoy an enviable reputation among the reputable white minstrel companies on the road and carry some of the best voices listed with any minstrel combination in the United States." They come to the Frazier on March 19, tomorrow night.

More Riots.

Disturbances of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse, unless a reliable remedy is immediately employed. There's nothing so efficient to cure disorders of the liver and kidneys as Electric Bitters. It's a wonderful tonic, and effective nerve and the greatest all around medicine for run-down systems. The object of the meeting will be to stir up sentiment in favor of prohibition and especially the proposed local option law.

Admission will be free, but pledges will be taken for the campaign.

HAIR NATURALLY ABUNDANT.

When It Is Free of Dandruff, It Grows Luxuriantly.

Hair preparations and dandruff cures, as a rule, are sticky or irritating affairs that do no earthly good. Hair, when not diseased, grows naturally, luxuriantly. Dandruff is the cause of nine-tenths of all hair trouble, and dandruff is caused by a germ. The only way to cure dandruff is to kill the germ; and, so far, the only hair preparation that will positively destroy the germ is Newbro's Herpicide—absolutely harmless, free from grease, sediment, dye matter or dangerous drugs, it always itching instantly; makes hair glossy and soft as silk. "Destroy the cause, you remove the effect." Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.
