PRESBYTERY MEETS

WILL COME TO PENDLETON NEXT MONDAY, MARCH 14.

Important Called Session to Consider Resignation of T. C. Taylor, and Other Important Matters—Below is Printed a Full List of Members of the Presbytery—will Ratify Selection of Van Nuys for This Pastorate.

A call has been issued for a meeting of the Eastern Oregon Presbytery to be held in this city Monday evening, March 14, at the Presbyterian church.

There are three reasons stated in the call: One to dissolve the pastoral relation between the church of Milton and Rev. A. J. Adams of that city, who has resigned, and will accept a call from another church; to release W. L. Van Nuys of La Grande from further connection with the La Grande church, that he may come to this city in answer to the call of the Presbyterian church of this city; and to elect a trustee of the Pendleton Academy in place of T. C. Taylor, who has resigned. These three items will complete the business of the presbytery at this time, as nothing can be transacted in a called meeting of that body which is not stated in the call.

The membership of the presbytery includes representatives from all of the principal churches in the eastern part of the state, the official list of

the body being: A. J. Adams, of Milton; T. M. Polk, of Joseph; J. E. Blair, of Enterprise; J. K. Buchanan, now of Wallowa, but formerly the pastor of the church of this city; James Byers, of Sumpter; J. R. N. Bell, of Baker City; J. H. Barton, of Union; W. L. Van Nuys, of La Grande; Z. W. Cummertford, of Prineville; J. W. Irwin, of Burns; J. K. McGilvery, of Grants; S. C. Elder, of Moro; R. J. Diven, B. F. Harper and W. H. Bleakney, of Pendleton; Royal F. Reasoner, of La Grande, and J. M. Morrison, of Albany.

Colds Cause Pneumonia.

One of the most remarkable cases of cold, deep-seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, of Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by Tallman & Co.

Low Barometer.

The barometer registered lower this morning than it has for a long time in Pendleton, indicating very high winds for the next 24 hours. The barometer in the McComas grain office dipped clear below the gradings, which is the lowest ever noted since it has been in use in the office.

Disgusting Affair Closed.

WHEAT SITUATION

BOTTOM DROPPED OUT AND MARKET IS FLAT.

Farmers Will Not Sell at Present Quotations and Are in a Position to Hold on—Magnificent Outlook for the Growing Crop, Prospects Exceeding Anything Seen in Several Years.

The bottom of the wheat market seems to have dropped out in the past few days. The grain is now bringing 66 cents in the export market and perhaps 67 at the mills, but there are no sales being made at these figures, and it is not probable that there will be. The farmers who a short time ago were holding up for 71 cents and higher are not in the humor at this time to unload their grain at a lower price than they could have gotten then, preferring to hold in hopes of a rise, being pretty sure that the price will go but little lower. Under these circumstances they will have a chance to gain, and but little to lose.

There is nothing being done in the market at the mills, or in the export sales department, everything being now quieter than for some time. The growing wheat is a pleasure to the farmers, however, all indications pointing to a larger harvest this year than for some time. The wet winter has started things to growing in good shape, and the ground is now so saturated that it will take some hot weather and a long spell of it to prevent the crops from coming to maturity in the best condition that has prevailed for some seasons.

TOO WET TO PLOW.

Umatilla County Soil Filled With Water This Spring.

L. E. Penland, who returned from a visit to his farm at Helix last evening, says the ground in that locality is much too wet to plow.

He is preparing to summer fallow 160 acres and found that plowing will be delayed some time owing to the excessive rains.

He is delighted to know that the county court will build the Wild Horse cutoff to the wagon road leading eastward out of this city. This cutoff will be a much better road than the present muddy lane east of the hospital, it will cut out two hard hills and will shorten the time by 15 or 20 minutes, in driving from Pendleton to Helix.

The people all through that portion of the county feel very grateful to the citizens who started the movement and the county court for considering the plan for making this cutoff.

A DELIGHTFUL PROGRAM.

Musical Entertainment at the Arlington in Honor of Charles S. Cochran.

Mrs. James A. Greene assisted by Mrs. H. Stewart and Miss Kennedy, entertained in the parlors of the Arlington last evening, in honor of Charles S. Cochran, of Eugene, Ore. Mr. Cochran is returning home from Chicago, where he has spent some time in the study of band music.

The entire evening was spent in a delightfully arranged musical program, consisting of vocal and piano solos, duets and trios with the guitar, mandolin, banjo and cornet.

The musicians were: Professor Lacombe and Professor Kimball, Messrs. Cochran, Owenhouse, Scott, Lewis, Crank and Carrier, Mesdames Fletcher and Stewart and Misses Bickers, Kugby and Fletcher. Refreshments were served.

SMITH LEAVES HOSPITAL.

Man Who Attempted Suicide in La Grande Starts for His Home in Sedalia, Missouri.

Henry Smith, a brother of Conductor J. B. Smith, of the O. R. & N., who attempted suicide by cutting his throat with a razor, at the home of Conductor Smith, in La Grande last Monday, leaves St. Anthony hospital tonight, for his old home in Sedalia, Missouri.

He has recovered from the effects of his attempt at suicide, and now wishes to live. His is one of the most remarkable cases in the history of surgery, the wind pipe having been cut through, and three stitches were necessary to close it up. The wound has healed up without the use of a tube in the wind pipe, and he is now past all danger from a rupture of the wound.

LAND OFFICE PATRONAGE.

Pilot Rock Record Secures a Large List of Signatures Asking That it Be Recognized.

John P. McManus, editor of the Pilot Rock Record, was in the city yesterday, securing the names of prominent republicans in Pendleton and vicinity, asking that his paper be recognized as one of the official papers in the La Grande land district.

He claims that the department has been deceived by the Pendleton Tribune, which sent in a petition stating that it is the only republican newspaper in the district occupied by the Record, and when those signing the petition to the Tribune were made to know that they were doing an injustice to the Record, which is a live paper of general circulation, they immediately signed the petition of McManus, asking for a division of the patronage.

As most of the filings now being made in this county are made nearer Pilot Rock than Pendleton, the Rec-

ord, under the ruling of the department, is entitled to the entire land office patronage.

REVIVAL CONTINUES.

Christian Church Meeting Still Continues to Add New Members.

At the meeting at the Christian church last night, four additions were made to the church, and there were 10 baptisms.

Tonight there will be 10 or 15 more baptisms, and the sermon will be on the "Suffering Saviour." This makes a total of 23 additions since the departure of Rev. Martin, and the meetings will be continued indefinitely. Rev. Brooks is now conducting the meetings unassisted.

WORK OF A COWARD AT HELIX.

Shots Fired by Some Unknown Person Through Two Homes in That Place.

Helix, March 10.—Two dastardly attempts to murder innocent people have been made in this city within the past two days.

On Tuesday evening some unknown person fired a shot through the house of Mrs. Pierce, a widow woman, the shot barely missing the heads of two small children asleep in bed.

At the time it was thought it might possibly be an accident, but on the following night, some one fired a shot through the home of Harlow Richmond, living in the edge of town, and it is now believed that both shots were fired with malicious intent.
