AMONG THE EXCHANGES OF THE INLAND EMPIRE

A New Weeder.

The Washington Weeder Company recently formed to manufacture and sell the implement handled for two of three years by Talbot Bros., filed their articles of incorporation at the county auditor's office yesterday.

Robert L. Talbot of the former firm of Talbot Bros., is president of the new concern, and the other officers are: B. C. Holt, secretary and treasurer; E. O. McCoy of The Dalles, and George N. Crossfield of Wasco, Ore., are the trustees. The capital is $40,000.

The implement which this company will produce has already had an extensive sale in this state and Oregon, and the machines have been sent to California, and other states of the northwest. Mr. Crossfield had a test held some time ago at Wasco, Ore., and as a result sold several machines. It is a disc cultivator, but differs from the ordinary in that one row of discs follows the other, and throws the soil in the opposite direction. — Walla Walla Union.

City Scales are Idle.

The ordinance which was recently passed by the city council requiring coal to be weighed on the city scales and designating the wagon scales at the corner of Tenth and Bannock streets as city scales No. 2, was signed by Acting Mayor Good March 4, and is now in full force and effect, but is apparently already a dead letter. None of the dealers, so far as can be ascertained, are complying with the provisions further than weighing on the scales when requested to do so. — Boise Capital News.

Big Mills Start.

The big mills of the Oregon Lumber Company, which under the management of Grant Geddes during the winter shut down were put in repair for the 1904 season, are now all ready for the steam to be turned on. Manager Geddes says that they have this winter also secured a large quantity of logs which were decked in the camps ready for hauling to the railroad as soon as the season opens and there are plenty of logs on hand for present use.

The mills will be started in two weeks, as the yards are now too wet with melting snow and rain to handle the business satisfactorily. Last year the mills reopened March 17. The mills have a capacity of 100,000 feet of lumber a day. — Baker City Democrat.

Was Sumpter's First Mayor.

It was stated by several of the papers that L. N. Blowers, recently appointed deputy United States marshal in the place of Al Roberts, was formerly a resident of Sumpter. Upon diligent inquiry, however, the morning paper failed to find any confirmation of the statement. For its benefit, also to show the brand of "inquiry" in which this alleged newspaper deals, and for the purpose of identifying Mr. Blowers, The Miner gives the facts in the case.

L. N. Blowers was Sumpter's first mayor, having been elected in 1898, when the town was incorporated, and his signature is attached to the first ordinance passed by the common council on May 7, 1898. —Sumpter Miner.

A Justifiable Kick.

The complaint is again being made that children crowd the postoffice passageway on Sundays. This would not be so bad if the children had any business there, but they take these occasions to act rude and make themselves generally obnoxious. It is suggested that parents who have a due regard for the behavior of their boys and girls keep them away from the postoffice. Parents would do better to go for their mail themselves. — Baker City Democrat.

Well Known Pendleton Man Tells About Physical Torture.

The rack, the garrote and other fiendish torturing machines of the middle ages have gone, but physical torture has not. A prominent Pendleton citizen tells how he was tortured and how he escaped.

D. W. Cook, 70 years old and retired from active business, now living on Main street, says: "The dull, dragging pain in the small of my back felt as if two giants were tearing me apart and at times I felt so miserable that I could not stand or walk and was confined to my bed. Urinary weakness set in, especially at night, and I was failing physically every day. At this time I happened to read an ad. about Doan's Kidney Pills and was much impressed with the sincerity of the testimonial, which was much similar to the one I am making now. I got a box of pills at the Brock & McComas Co. drug store and they helped me so that I continued using them until I had taken several boxes. Then I could eat, sleep and get around again without suffering the least bit of physical pain. I endorse all of the claims made for Doan's Kidney Pills."

For sale by all dealers. Price 50 cents per box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—DOAN'S—and take no other.

THERE ARE NO FAILURES.

Dr. Garfield, of Victoria, B. C., Tells of Three Hundred Cases Wherein He Recommended the Use of Trib.

Dr. James G. Garfield, of Victoria, B. C., when asked, do you indorse TRIB as a cure for the liquor and tobacco habit, said: "I do. I have known your remedy long before it was sold to you, and can tell you of three hunered people that I have advised to take it. I never knew of a failure to cure where the party taking it was sincere."

Tallman & Co., local agents.

O. R. & N. Excursions.

The O. R. & N. will make the excursion party a special feautre of the travel to the St. Louis fair this season. Many intending excursionists have already made inquiry of B. E. Wolf, ticket clerk in this city, and the indications are that one of the first parties to leave this state for St. Louis, will start from Pendleton. A through car to St. Louis will be furnished where the party is large enough to justify it.

A Ghastly Find.

Seattle, March 11.—The body of a man, whose name was probably Nicholas R. Rapp, was fished out of the bay about 50 feet off the Arlington dock shortly before 10 o'clock this morning. Owing to its decomposed condition, it will be impossible to identify it with certainty. A letter addressed to Nicholas R. Rapp, care of Angellina Logging company, Marysville, Wash., gives the clue that this was the name of the dead man.

Fire at La Grande.

La Grande, March 11.—Fire destroyed the Ed Fowler hay barn yesterday afternoon on Fir street, loss about $2,000. The barn was filled with baled hay belonging to farmers who had stored it there awaiting a better market. It was moderately insured.

John Van Duyn, a prominent Lane county farmer, was found dead in bed from heart disease Thursday.
