Do You Want Strength?

If you want to increase your strength you must add to not take from the physical. In other words, the food that you eat must be digested, assimilated and appropriated by the nerves, blood and tissues before being expelled from the intestines. Kodol Dyspepsia Cure adds to the physical. It gives strength to and builds up the human system. It is pleasant to the taste and palatable, and the only combination of digestants that will digest the food and enable the system to appropriate all of its health and strength-giving qualities. You May Be Cured

544 Garfield Avenue, CHICAGO, ILL., October 9, 1902.

After doctoring for eleven months and taking forty-three bottles of medicine and finding no relief for leucorrhoea resulting from irritation of a fallen womb I took Wine of Cardui and fourteen bottles cured me. This seems strange but it is the simple truth. Wine of Cardui helped me from the time I began taking it and having heard it praised so highly by friends who had tried it I felt satisfied that it would help me, and it did. It cured me. Took every bit of ache, pain and headache, cramps and dragging down sensations away till I felt young, strong and happy once more. It is a wonderful medicine and a true friend to women. When I look back on the months of torture I had it seems like a hideous nightmare. Wine of Cardui will cure any woman I believe. I have more faith in it than all other medicines combined.

Frances Kingsley

[Vice-Pres., Chicago Historical Club.

Why drag through life never enjoying anything? Wine of Cardui has made over 1,500,000 weak and suffering women well and strong. We ask you to go to your druggist today and secure a \$1.00 bottle of Wine of Cardui and begin to take it at once. Do that and the health Mrs. Kingsley writes about will soon be yours. Wants More Trib.

L. F. Foster, San Francisco, Cal., Feb. 2nd, 1903, writes: "Please find enclosed draft for \$150.00. Send me one dozen treatments of 'Trib.' The druggists here say they have orders in they can't get filled. Why is this? I took Trib myself last June and never felt better in my life than I do now. I have gone down in weight to 195 pounds and never think of liquor or tobacco any more. I know of 25 cures you could get reference from, if you care to write for them. Be sure to send me twelve Tribs at once; I want to send them to Honolulu."
