La Grande is Progressing.

The council met in adjourned session Wednesday evening, and the onfinal passage of an ordinance providing for putting in a little over 9,000 feet of four-inch water mains, a portion of which goes in the First Ward porthwest a half mile. This bid and the remainder north of the railroad track. The estimated cost is about \$4.0.0. The adoption of the rods southwest of residence of ordinance is considered to be a matter of justice and for a policy, inas-much as it will provide the possibality of a water supply to a great many taxpayers within the corporate limits who have not hitherto been able to become patrons of the water sys-The extension of the mains produced will largely increase the list of water consumers.-La Grande Chronicle,
