

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized.

FOR TENNIS COURT

CLUB ORGANIZED WITH SIXTEEN CHARTER MEMBERS.

Expected to Double the Membership in a Short Time—Officers Elected Committees Appointed and Grounds Will Be Purchased—Initiation Fee of \$5 Will Be Charged.

At a meeting held in the rooms of the Commercial Association yesterday afternoon, it was decided to organize a tennis club among the young people, to secure convenient grounds, and to put the organization on a solid and enduring basis.

Ernest Younger was elected president, Cecil R. Wade secretary, and George Hartman, Jr., treasurer.

Ralph Wade was appointed to solicit new members, and it is thought that it will be an easy matter to secure at least 30 young men to join the club. An initiation fee of \$5 will be charged, which will be used to put the grounds in form and to buy nets, racquets and other things necessary for the game. After that it is the intention of the club not to charge fees until necessary.

Dan P. Smythe was appointed to look after the selection of a site for the courts, and there are now two or three good locations in view. The committee will make report at the next meeting.

Those who have so far joined the club and who will be considered as the charter members are Ernest Younger, C. R. Wade, C. B. Sampson, George Hartman, Roy W. Rittner, Charles Meirs, Ralph Wade, Carl Cooley, Sol Baum, A. A. Sheurman, E. B. Waffle, Dan P. Smythe, Richard Mayberry, Luke Hawley, John F. Robinson and L. G. Frazier.

NEW THE WADE STOCK.

W. J. Townley of Union Speaks in Highest Terms of the Herd Just Sold Here.

W. J. Townley, of Union, who is one of the largest fine-stock men in Union county, attended the sale of the Wade cattle in this city Saturday, and spoke in the highest terms of the cattle. Mr. Townley owns a large tract of land adjoining the Wade farm at Hot Lake, and is more familiar with the Wade cattle, perhaps than was Mr. Wade himself, as Mr. Wade did not have the pleasure of seeing them except on special visits to the Hot Lake ranch, while Mr. Townley saw them almost every day, in attending to his own large herd of fine stock and his other interests in that vicinity.

He says the Wade herd was the best collection of thoroughbred cattle ever brought together in the northwest, and thinks the effects of Mr. Wade's wisdom and good taste, in breeding up such a fine herd, will be immediately felt in the improvements of the grade of the stock cattle in these districts.

They are still feeding in Union county and Mr. Townley says all kinds of stock will come out in the best of condition. He has gained a wide reputation by making the feeding experiment with hogs, showing the relative values of different kinds of grain, as fat producers, and given in detail in the report of Col. R. C. Judson, of the industrial department of the O. R. & N.

HEAVIEST POLICIES.

Many New Yorkers Who Have Enormous Life Insurance.

The numerous millionaires of New York evidently do not believe in life insurance, at least not to such an extent as their colleagues of Philadelphia.

George W. Vanderbilt is the only man in this city whose life is insured for \$1,000,000, while Philadelphia boasts of Rodman Wanamaker, who is insured for \$2,000,000, and of the elder Wanamaker, who is insured for \$1,500,000, not to mention John M. Mack, who carries an insurance of \$1,050,000 and quite a number whose insurance runs between \$1,000,000 and \$500,000.

Among the New York millionaires there are only August Belmont, Henry N. Genenrich, Gage E. Tarbell, J. A. McCall, General F. V. Greene and Senator Depew who carry \$500,000 or over.

It Saved His Leg.

P. A. Danforth of La Grange, Ga., suffered for six months with a frightful running sore on his leg, but writes that Bucklen's Arnica Salve wholly cured it in five days. For ulcers, wounds, piles, it's the best salve in the world. Cure guaranteed. Only 25 cents. Sold by Tallman & Co., druggists.

THE CREATIVE MOMENT.

The playwright in his chamber sits, And waits for the slow muse to come; Instead he hears how Willie hits Upon his Christmas drum.

He hears when Henrietta grabs The hair of James, who starts to cry; And loud shrieks when Jimmie jabs His sister in the eye.

The cook in irate converse loud With butcher boy upon the stair; The housegirl with her chortle proud That smites the shuddering air.

And finding that his nerves are wrecked, His head athrob with anguish keen He rises up, with wrath unchecked, And then creates a scene! —New Orleans Times-Democrat.
