AMONG THE EXCHANGES OF THE INLAND EMPIRE

Malheur River Booming. Malbeur river and its tributaries

word has reached here that the basement of Hope Bros, was flooded, entailing a considerable loss to a large stock of merchandise.

several bridges over Bully creek were washed out and no mall connections with Burns was had for 48 hours the first of the week.

out and the damage will amount to \$5,000 .- Ontario Argus.

One Hundred Miles of Tunnels.

Very few people who are advocating the merits of Eastern Oregon as mining country, and few people that has taken place here in the past 20 years, most of it during the past 10 years. The United States geologist who visited this section last summer, of underground workings in the East-ern Oregon gold fields. These are large figures when it is considered that this camp is only a baby camp, and that the ground has hardly yet been scratched.—Sumpter Miner.

Clamoring for News.

"The only damage done here is the Malbeur river and its trioutaries dam, but this can be repaired in a few days and the damage is consid-the sudden melting of snow in the mountains, and Snake river is also mountains. washing away of a part of the mill word has reached here that the which has been a menace to operat-sater is 18 inches deep on the main street of Vale, and that the immense street of Vale, and that the immense forming a large eddy in the river necessary. The wagon road between here and the mouth of the creek has been considerably damaged by the waters, but will be repaired within a

few days, "The last mail received here was The Owyhee headgate was washed are clamoring for news from the outside and the seat of war."

Pleasures of Professional Life.

Dr. L. T. Brock's two most recent trips have been of the hair-curling variety. The one to Susanville last who have actually invested in mines which produced bumps and bruises. In Eastern Oregon are aware of the Returning from Unity yesterday he actual amount of development work was fraught with incidents encountered a series of mishaps that were fringed with an element of catastrophe. His horses were buried in the snow at times, and traversing swollen streams he managed to tip over and take an involuntary bath that there are more than 100 miles of underground workings in the East-ficient to stor all milesture suf-

Our mail service is a crackerjack, and something Uncle Samuel ought A special to the Lewiston Tribune to be proud of, although we are not from Peck, idaho, says: ^{ap}eck has been isolated from the rives here the mail is wet, and in outside world for the past week due some instances the papers are soak-

to the heavy floods early in the week ed and rubbed into a pulp. We spoke to the heavy floods carry in the week ed and rubbed into a puip. We spoke which washed out some of the high- to Mr. Travis, the manager, about ways and suspended traffic on the the condition of the mail, but he said Clearwater branch of the railroad, he couldn't do any better. We guess ways and suspended traine on the intercontrol of the final be conduct of any better. We guess Clearwater branch of the railroad, he couldn't do any better. We guess The reports published that the town we are up against it, unless we look had been entirely flooded and the up the contractor and mention these people driven from their homes was things to him. A drygoods box would erroteous, but a warning received keep some rain off and be better from the headwaters of Little Canyon than an open buckboard. There was creek alarmed the people for some no paper mail brought in on the stage Wednesday.—Long Creek Ranger. Wednesday.-Long Creek Ranger.
