**Politics in Milwaukee.**  
Milwaukee, Wis., March 21.—Mayor David S. Rose was renominated for a fourth term by the democratic convention today. There was no opposition. The republicans also are holding their nominating convention today, but the party is badly split and the makeup of the ticket cannot be forecasted with certainty. Indications, however, point to the nomination of Guy D. Goff, a prominent young attorney, as the candidate for mayor.

**DISCRIMINATING LADIES.**  
Enjoy Using Herpicide on Account of Its Distinctiveness.

The ladies who have used Newbro's Herpicide speak of it in the highest terms, for its quick effect in cleansing the scalp of dandruff and also for its excellence as a general hair-dressing. It makes the scalp feel fresh and it allays that itching which dandruff will cause. Newbro's Herpicide effectively cures dandruff, as it destroys the germ that causes it. The same germ causes hair to fall out, and later baldness; in killing it, Herpicide stops falling hair and prevents baldness. It is also an ideal hair dressing, for it lends an aristocratic charm to the hair that is quite distinctive. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

People are quite busy making gardens between showers.

Georgia Minstrels.

S. H. Dudley, the comedian who made such a hit last season with Richards & Pringle's famous Georgia minstrels, is again with the same organization, and will be seen in a brand new skit or afterpiece in which "Jim Jackson" is having his troubles in the Policy Shop, the same character, only seen in different quarters. Dudley in the role of the tough country nigger, "Jim Jackson," is true to nature; his droll saying and quick gun plays keep the audience in one continual roar of laughter. Critics say that Dudley is the funniest negro on the stage.

The company will appear at the Frazer theater on Tuesday, March 22, with a bright new show.

To all of my Friends and Patrons:

I take pleasure in introducing to my friends, Drs. L. L. and T. H. White, to whom I have sold my dental business in this city. I thoroughly recommend the Drs. White as first-class dentists in every respect, and will esteem it a favor for any of my patients to place their cases in the hands of the Drs. White.

Respectfully,  
E. A. MANN.

A prominent Southern lady, Mrs. Blanchard, of Nashville, Tenn., tells how she was cured of backache, dizziness, painful and irregular periods by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—Gratitude compels me to acknowledge the great merit of your Vegetable Compound. I have suffered for four years with irregular and painful menstruation, also dizziness, pains in the back and lower limbs, and fitful sleep. I dreaded the time to come which would only mean suffering to me.

"Better health is all I wanted, and cure if possible. Lydia E. Pinkham's Vegetable Compound brought me health and happiness in a few short months. I feel like another person now. My aches and pains have left me. Life seems new and sweet to me, and everything seems pleasant and easy.

"Six bottles brought me health, and was worth more than months under the doctor's care, which really did not benefit me at all. I am satisfied there is no medicine so good for sick women as your Vegetable Compound, and I advocate it to my lady friends in need of medical help."—MRS. B. A. BLANCHARD, 422 Broad St., Nashville, Tenn.

When women are troubled with irregular, suppressed or painful menstruation, weakness, leucorrhoea, displacement or ulceration of the womb, that bearing-down feeling, inflammation of the ovaries, backache, bloating (or flatulence), general debility, indigestion, and nervous prostration, or are beset with such symptoms as dizziness, faintness, lassitude, excitability, irritability, nervousness, sleeplessness, melancholy, "all-gone" and "want-to-be-left-alone" feelings, blues and hopelessness, they should remember there is one tried and true remedy. Lydia E. Pinkham's Vegetable Compound at once removes such troubles. Refuse to buy any other medicine, for you need the best.

A Severe Case of Womb Trouble Cured in Philadelphia.

"DEAR MRS. PINKHAM:—I have been cured of severe female troubles by the use of Lydia E. Pinkham's Vegetable Compound. I was nearly ready to give up, but seeing your advertisement I purchased one bottle of your medicine, and it did me so much good that I purchased another, and the result was so satisfactory that I bought six more bottles, and am now feeling like a new woman. I shall never be without it. I hope that my testimonial will convince women that your Vegetable Compound is the greatest medicine in the world for falling of the womb or any other female complaints."—MRS. MAY CODY, 2669 Birch St., Philadelphia, Pa.

Remember, every woman is cordially invited to write to Mrs. Pinkham if there is anything about her symptoms she does not understand. Her address is Lynn, Mass., her advice is free and cheerfully given to every ailing woman who asks for it.

## Bright's Disease and Diabetes News.

San Francisco, Oct. 5.

To F. W. Schmidt's Pharmacy:  
Dear Sirs—There are daily occurrences in this city that ought to be known all over the world. A gentle old gentleman and octogenarian, a distant relative of Robert Fulton, of first steamship fame, has saved the lives of hundreds (probably thousands) after they were believed to be beyond human aid. His discovery is undoubtedly the long-sought cure for Bright's Disease and Diabetes.

This is not easy of belief, and it is the purpose of a number of business and professional men of this city (of whom I am one) to tell the people. You are hereby authorized to tell all those in your city who have either Bright's Disease or Diabetes, that nearly nine-tenths of them can recover. Among the business men who are giving moral and financial support and who would give neither if the above was not strictly true, are Hon. D. M. Burns, President Candelaria Mining Company; Edward Mills, President of Bullock & Jones Company; Captain Roberts, President Boca and Loyton R. R. Co.; Thos. Kirkpatrick, Capitalist; D. E. Bender, Capitalist; W. C. Price, Capitalist; Wm. Sharp, Capitalist; C. W. Clark, Capitalist, and many others. The pamphlets herewith are to be given to all inquirers without charge. They give the complete history of our long and exhaustive investigation.

Yours truly,  
A. E. SHATTUCK,  
President Pacific States Type Foundry.
