

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

INTERNATIONAL BILLIARDS.

American and French Experts Play in Paris.

New York, March 28.—Friends of Wilson P. Foss, the A. A. CLARA MATHES COMPANY.

Victoria Paper Speaks in Highest Terms of the Performances.

The Clara Mathes Company completed their engagement last night, much to the regret of the many patrons of the theater. The company has been in Victoria two weeks, and a number of excellent plays have been ably presented and with correct costuming and good staging,

with pleasure. Miss Mathes is an artist and with her good characterizations of many widely different roles in which she has appeared during the engagement here, she has won many friends. A very pleasing feature of these performances has been the introduction of specialties of the very highest class between acts, and the

audiences which have nightly greeted the players, have been well pleased.

As a stock company the Clara Mathes Company is far above the average, and Victorians will look forward to their return engagement announced for two months hence.

audience is not kept waiting to be amused while the curtain is down. Last night several good specialties were given, including illustrated songs by Emma Mathes and eccentric dancing by James Ford.—Victoria, B. C. Colonist.
