

A COUGH CONUNDRUM

When is a cough more than a cough?

When it's a settled cold. When it hangs on in spite of all you can do. Cough mixtures won't cure it because they are merely for a cough and this is something more.

Scott's Emulsion cures the cough because it cures the something more. It heals and repairs the inflamed tissues where the cold has taken root and prevents its coming back.

APPEARING OLD

Acts as a Bar to Profitable Employment.

You cannot afford to grow old. In these days of strenuous competition it is necessary to maintain, as long as possible, one's youthful appearance.

It is impossible to do this without retaining a luxurious growth of hair.

The presence of Dandruff indicates the presence of a burrowing germ which lives and thrives on the roots of the hair until it causes total baldness.

Newbro's Herpicide is the only known destroyer of this pest, and it is as effective as it is delightful to use.

Herpicide makes an elegant hair dressing as well as Dandruff cure. Accept no substitute—there is none. Sold by leading druggists. Send 5c. in stamps for sample to The Herpicide Co., Detroit, Mich.
