## PAY OFF WARRANTS

IS BEING DONE WITH CURRENT RECEIPTS.

Other Heavy Payments Will Be Made in a Short Time—Warrants for January Call for Twenty Thousand Dollars—Warrants for Only One Year Are Now Outstanding, and the County is Rapidly Nearing a Cash Basis.

Last week the sheriff made another tax payment into the county treasury of \$27,000, and this money is now being used in paying off warrants which have been called in. March 25 County Treasurer Sommerville issued a call for all warrants which had been issued during November and December of 1902, amounting in all to about \$12,000.

In about two weeks he will issue another call for the months of January and February of 1903. This will take a large proportion of the tax money, for the month of January was a heavy one. It was at this time that the poor farm was bought, and the warrants outstanding against the county have now been called in until there is about a year outstanding, and at the present rate it will be but a short time until the county is on a paying basis. If the income of the county was steady it would be an easy thing to tell just how soon all of the debt would be wiped out, but in the fall the income practically stops, and the cost of the county government overreaches the income in some cases. In any case, however, the time will soon be here when the interest-bearing debt of the county will be a thing of the past.

On May 1 the state tax payment will be due and at this time the county treasurer will send to the treasurer at Salem the first payment of \$20,000.

### IRRIGATION AT BEND.

Proposition Under the Carey Act is Progressing Nicely.

Arlington, March 29.—Additional forces of men have been added to the present large crew at work on the Deschutes Irrigation Company's

canal lines and more will be put to work this week. The lower ditch crew is at work nine miles north of Bend and construction is progressing rapidly from the mouth of the flume to the townsite of Bend. During the past week, work on the canal has been carried on below the Bend and the old county road has been vacated.

The ditch line occupies the narrow pass for two miles north of Bend and the road has now been swung over to the east side of the ditch. The lower camp is near Long Butte, where considerable rock work is being done.

It is expected that within a few weeks 10 miles of the ditch will have been completed, making a continuous canal from the end of the flume to a point some distance below the Butte. North of the latter point the ground is such as will permit of easy and rapid construction.

Over 200 telephone poles have been cut for the line which will be erected along the canals and the work of delivering them began this week.

An order has been placed for 27 miles of wire, and it is expected that telephone communication will be established between the working points along the canal in a few weeks time.

### ONE ON M'MANUS.

Versatile Editor of Pilot Rock Record Makes a Mistake.

Here is one on McManus, the versatile editor of the Pilot Rock Record. While the writer was in his office a day or two ago Mr. and Mrs. Charles Ogilvy, of California Gulch, came in to attend to some business in connection with some property which they have just purchased at Pilot Rock.

Shortly after, while they were seated at the dinner table, a score of guests being present, Mr. McManus came in hurriedly and handed Mrs. Ogilvy a red leather pocket case, saying: "This is yours; you left it at my office when you were over a while ago."

Mrs. Ogilvy picked it up and was very much scandalized upon reading the label to find that it was a cigar case. When the laughter had subsided, and when she had indignantly denied the ownership of the case, her husband reassured her, in his broad Scotch, by saying: "Wist, woman, dinna ye ken that Mac is a pur, lone creature with naething to love but Psyche, his coyote, and he was making you a bit of a gift to shine up to you."

Mac is still explaining, while Ogilvy tells him: "Hoot, mon, it's a fair field and no favor. If you think after all these years you can cut me out with the auld lady, why, go ahead."

### SALVATION ARMY CONGRESS.

Thirty-Nine Languages Will Be Represented at London.

London, March 29.—The Salvation Army has begun the erection of a great building close by the Strand-to-Holburn improvement site to be used for the huge international congress to be held under the Army's auspices next summer. It is over 10 years since the Salvation Army held an international congress, and at this large gathering representatives—speaking 39 languages—will be present from each of the 49 countries in which the organization carries on its operations.

For eight days conferences will take place, and General Booth will, it is being arranged, deliver speeches which will average five hours' length each day. Three days more will be devoted to public meetings both in the building itself, and in all parts of the metropolis, and the congress will be brought to a grand finale by a huge gala day at the Crystal Palace.

### IN ELEVENTH INDIANA.

Bitter Factional Fight Between Republicans.

Indianapolis, Ind., March 29.—Republicans of Indiana have their eyes turned toward Peru, where the Eleventh district convention is being held to name a candidate for congress.

Congressman Fred Landis is a candidate for renomination and is opposed by Major George W. Steele of Marion, who represented the district for a number of years and is desirous of going back to congress. In every county of the district the contest has been waged with great bitterness, and consequently the politicians are waiting with keen interest to see which side wins.

### Arbitration May Win.

Sacramento, March 29.—The prospects are fair for a settlement of the labor troubles within a few days. The Citizens' Alliance has withdrawn from all action in the matter and requested the Builders' Association and Contractors' Association to confer with the Building and Trades Council in reference to an adjustment of the dispute. All the parties profess a willingness to meet in conference, and show a spirit that raises hopes of an early settlement.

A severe case of Ovarian Trouble and a terrible operation avoided. Mrs. Emmons tells how she was saved by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I am so pleased with the results obtained from Lydia E. Pinkham's Vegetable Compound that I feel it a duty and a privilege to write you about it."

"I suffered for more than five years with ovarian troubles, causing an unpleasant discharge, a great weakness, and at times a faintness would come over me which no amount of medicine, diet, or exercise seemed to correct. Your Vegetable Compound found the weak spot, however, within a few weeks—and saved me from an operation—all my troubles had disappeared, and I found myself once more healthy and well. Words fail to describe the real, true, grateful feeling that is in my heart, and I want to tell every sick and suffering sister. Don't dally with medicines you know nothing about, but take Lydia E. Pinkham's Vegetable Compound, and take my word for it, you will be a different woman in a short time."—Mrs. LARA EMMONS, Walkerville, Ont.—\$5000 forfeit if original of above letter proving genuineness cannot be produced.

Don't hesitate to write to Mrs. Pinkham if there is anything about your sickness you do not understand. No woman ever regretted writing her and she has helped thousands. Address Lynn, Mass.

## BABY QUIRK'S QUICK CURE

Of Torturing Eczema by Cuticura

When All Else Had Utterly Failed.

"My baby, Owen Herbert Quirk, was afflicted from the age of six weeks with a loathsome running eczema, almost covering his face. I took him to Drs. — and — of Victoria Road, Aldershot, and he was treated by them for three months, but got much worse, and was a sickening sight to look at. I saw an advertisement of the Cuticura Remedies, and got the Soap, Ointment and Resolvent.

"We noticed an improvement at once, and within a fortnight the running had ceased and the scales were nearly all dried off, and in a month his face was perfectly clear, not a spot left. I have enclosed photograph of him when he was thirteen months old. He is now two years and four months, and has never had the slightest return of it. I am very grateful for the benefits derived from your remedies, and shall feel it a pleasure to make their value known. For corroboration of this statement you may refer any one to Mrs. Williams, 45 Michaels Road, Aldershot, or Mr. Gunstane, 40 Victoria Road, Aldershot, to whom we recommended the remedies for a skin humour, which they also cured. You are at liberty to do what you like with this statement, as I should like all to know of the value of Cuticura."
