VOL. 17.

PENDLETON, UMATILLA COUNTY, OREGON, WEDNESDAY, MARCH 30, 1904.

NO. 5009.

MAY IRRIGATE WALLOWA LANDS

Scheme of the Government to **Build Monster Dam at Head** of Wallowa River.

SOVERNMENT WOULD LOAN FROM RECLAMATION FUND.

opic of Wallowa Valley Wish to Raise Level of the Lake to Cover ing Above Present Ditch Systems -Will Require About \$75,000 to making Build Dam, Which Sum Those Receiving the Benefit Would Be Rcwired to Repay the Governmentthe interior

A special to the Oregonian from Washington says that F. H. Newell has consented to advance a loan of has consented to advance a load of mosey out of the reclamation fund, for the purpose of building a dam the band of the Wallows river. g the head of the Wallows river. o raise the water in Wallowa lake for the purpose of irrigating the farming lands, under the various now having their me at the head of the river.

Ts amount recommended will be thet \$75,000, or about \$1 per acre for all the land that will be irrigated by this plan. The promise of ed by this plan. ionn is founded on the underfunding that the people to receive benefit from such irrigation are to ar a portion of the expense and repay the government for its lay. The settlers of Wallowa made a request for this against The settlers of Wallowa have a request for this assistance and Mr. Newell has found the plan fible and will present it to the cretary of the interior for con-
