Kidney trouble has become so prevalent that it is not uncom-mon for a child to be

born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the fiesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afficied with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important occans. This problems these important organs. This impleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserwomen as well as mentale made made has able with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty.
