CARRIER SCHEDULE

TIMETABLE AND OTHER CHANGES MADE TODAY.

Service Will Be Improved All Over Town—Two Deliveries Per Day in Residence Districts, and Four Per Day in the Business Sections—More Help Necessary if Night Service Is to Be Improved—Remodeling Postoffice Interior Now in Progress.

The postoffice force was reorganized this morning, and from now on a new schedule will be observed by the carriers in their deliveries and collections.

H. F. Warner has been taken from the residence and general city delivery and will now make all of the collections from the boxes, and will make the deliveries in the business district.

In Business Section.

The first delivery will be at 7:15, immediately after the stores are opened in the morning. The second will be after train No. 1 comes in, whether that is early or late. In the past the second delivery had started at 10 o'clock, and if the train has not been on time the mail was not delivered. The third and last delivery to the down town districts will be at 6:15 p. m. after the mail has been distributed from the last train of the evening.

This will cover all of the mail service of the day in as short a time after the arrival of the trains as is possible.

In Residence Districts.

In the residence districts L. L. LaRone will take all that part of the city east of Main street, excluding the hills, while Clyde Finch will take all lying west of Main, including the hills on both sides. There will be two deliveries a day, where there is at present but one. The carriers will start from the office at 8 o'clock a. m., whereas they now start at 10 a. m., and in the afternoon will start at 1 o'clock.

In the business districts on Main and Court streets there will be four collections a day, where there are now but two. The first will be at 5:15 a. m., the second at 8 a. m., and in the afternoon one collection will be made at 3, the last at 6:45 o'clock. This will insure all business mail being sent out on the first train to its destination.

There will be two collections in the residence districts, one at 5:15 in the morning, and one at 3 o'clock in the afternoon.

More Help Will Be Needed. It is stated by the management that unless there is another man in

the office it will be impossible to make the night service other than it is at present. Owing to the time of the trains the mail can not be handled with less than the present force, and it would necessitate the taking of one of the day men to do the night work, to put the night delivery scheme into operation.

The workmen started on the remodeling of the office at noon today, and will hurry the job to completion. The arrangement of the interior will be as stated in this paper some time ago, with the exception that the offices will be put on the right hand side instead of the left. This will allow the news stand conducted by R. E. Baum to remain where it is at present.

A Great Sensation.

There was a big sensation in Leesville, Ind., when W. H. Brown of that place, who was expected to die, had his life saved by Dr. King's New Discovery for consumption. He writes: "I endured insufferable agonies from asthma, but your New Discovery gave me immediate relief and soon thereafter effected a complete cure." Similar cures for consumption, pneumonia, bronchitis and grip are numerous. It's the peerless remedy for all throat and lung troubles. Price 50c and \$1.00. Guaranteed by Tallman & Co., druggists. Trial bottles free.

The United States district court at San Francisco, has just awarded a prize of \$500 to the crew of the collier Justin, for rescuing \$40,000 worth of bullion from the United States auxiliary cruiser Yosemite, which was wrecked in the harbor of Guam in 1900.

IS SPRINKLING BAPTISM?

Mr. Brooks Will Undertake to Prove That it is Not.

"Is Sprinkling Baptism?" This will be the subject of the sermon at the First Christian church Sunday evening, April 3. The speaker will show that this practice is unscriptural, unreasonable and inconsistent with the teachings of the bodies who practice it.

"Prove all things; hold fast that which is good," for "in vain do they worship me teaching as your doctrines the precepts of men." N. H. Brooks, pastor.

ALWAYS TIRED NEVER RESTED

To be tired out from hard work or bodily exercise is natural and rest is the remedy, but there is an exhaustion without physical exertion and a tired, never-rested feeling—a weariness without work that is unnatural and shows some serious disorder is threatening the health. One of the chief causes of that "Always-tired, never-rested condition" is impure blood and bad circulation. Unless the body is nourished with rich, pure blood there is lack of nervous force, the muscles become weak, the digestion impaired, and general disorder occurs throughout the system. Debility, insomnia, nervousness, indigestion, dyspepsia, loss of appetite, strength and energy, and the hundreds of little ailments we often have are due directly to a bad condition of the blood and circulation, and the quickest way to get rid of them is by purifying and building up the blood, and for this purpose no remedy equals S. S. S., which contains the best ingredients for cleansing the blood and toning up the system. It is a vegetable blood purifier and tonic combined, that enriches the blood, and through it the entire system is nourished and refreshing sleep comes to the tired, never-rested, body.

For over four years I suffered with general debility, causing a thorough breaking down of my system. My cousin, who had been benefited by S. S. S., told me about it. I tried it and it cured me. I heartily recommend S. S. S. to all who may feel the need of a thoroughly good blood tonic. Yours truly, MRS. JOEIE A. BRITTAIN, 44 W. Ninth St., Columbia, Tenn.

DEBILITY, INSOMNIA, NERVOUSNESS, INDIGESTION, DYSPEPSIA, LOSS OF APPETITE, STRENGTH AND ENERGY, AND THE HUNDREDS OF LITTLE AILMENTS WE OFTEN HAVE ARE DUE DIRECTLY TO A BAD CONDITION OF THE BLOOD AND CIRCULATION, AND THE QUICKEST WAY TO GET RID OF THEM IS BY PURIFYING AND BUILDING UP THE BLOOD, AND FOR THIS PURPOSE NO REMEDY EQUALS S. S. S., WHICH CONTAINS THE BEST INGREDIENTS FOR CLEANSING THE BLOOD AND TONING UP THE SYSTEM. IT IS A VEGETABLE BLOOD PURIFIER AND TONIC COMBINED, THAT ENRICHES THE BLOOD, AND THROUGH IT THE ENTIRE SYSTEM IS NOURISHED AND REFRESHING SLEEP COMES TO THE TIRED, NEVER-RESTED, BODY.
