COMPLAIN OF A FAMILY.

Said That All the Members Are in
 the Habit of Getting Drunk.
 Complaint has been made to the
 police of a family by the name of
 Maynard, who live in a little shack
 on West Webb street, and who, it is
 claimed, are disturbing the residents
 of the neighborhood by their carous-
 als and noise of a evening.
 The family is composed of the
 father, mother, two boys and a little
 child, and it is claimed that it is
 becoming an habitual thing for the
 whole family to be intoxicated at one
 time, from the oldest to the young-
 est member.
 Last evening or this morning the
 little child, about 4 years of age,
 was picked up out of the streets and
 brought to the house by a passing
 teamster, the child being too drunk
 to get out of the mud where it had
 fallen.
 Marshal Carney is investigating,
 and will take some action as soon as
 he can find witnesses who will es-
 tify to what they know. The owner
 of the shack in which the family has
 been living has refused to allow
 them to longer stay there, and they
 must in a short time move to some
 other quarter.

DWELLING BURNED.

House and Contents, Belonging to
 Kohler & Nelson.
 Word reaches this city that the
 residence of Dave Nelson, one of the
 well known farmers living six miles
 to the northwest of town, was burn-
 ed to the ground this morning at 9
 o'clock.
 The house was the property of
 Conrad Kohler, while the contents
 were the property of Nelson. There
 was an insurance of \$500 on the first
 and of \$800 on the second.

Doors Open at 8 O'clock.

The fire sale at the Peoples Ware-
 house will commence at 8 o'clock.
 Between the hours of 12 and 1
 o'clock the store will be closed. It
 is almost needless to tell the people
 what to expect in regard to prices.
 Sufficient to say that everything
 will go at fire loss prices during the
 sale. This word of advice: Come
 as early as you can, for first that
 come will be first served.

A monster stick of timber, 48
 inches square by 42 feet in length,
 passed through the city this morning
 on the O. R. & N. train No. 24, from
 Tongue Point, Or., near Astoria,
 bound for the St. Louis exposition.
 The timber occupied one of the large-
 est ballast cars on the O. R. & N.
 system, and was the largest single
 stick ever shipped out of the state.
 It contained 8,064 board feet.
